Estimated Value of Contract	Over \$100,000
Funding Source:	Most purchases will be funded by the Capital Projects Fund; however, when appropriate operating and grant funds may be used.
Department:	Office of Safety and Security

Description:

<ul style="list-style-type: none">• The use of this contract will provide Consulting and Technical Services in various functional areas to upgrade and maintain the infrastructure of HCPS.• Carroll County Public Network (CCPN) is a partnership of four (4) agencies that recognized the need to maintain a high-speed data infrastructure and associated technology services for public entities, while making the competitively bid agreement available to other agencies to help drive down the cost of acquisition.• This contract will provide necessary resources to support current and future requirements of various Information Technology needs and efficiently make security improvements for the district.• The products covered under this contract will be utilized to refresh and install safety and security systems including cameras and necessary cabling for various school buildings throughout the district.• The total annual expenditure will depend on the needs of HCPS infrastructure and funding availability and is expected to exceed \$100,000.• The existing contract is set to expire January 31, 2024. A new contract will be introduced for Board approval upon the results of the awarded bid.
