***NOTE:** To help us track the usefulness of the Memo to Media, we ask that you inform us if you will be covering any of the events or information listed in the memo. Please send all correspondence to Amanda.Spencer@hcps.org.

Save the Date

- The Combined Groundbreaking Ceremonies for Edgewood High and Deerfield Elementary will take place on Tuesday, June 3rd from 10:00 - 11:00 a.m.
- Bel Air Middle School will host its Locks of Love event on Tuesday, June 3rd at 9:45 a.m. at the Hair Cuttery in the Harford Mall in Bel Air. This event will benefit Locks of Love, a non-profit organization that provides recipients with a custom, vacuum-fitted hairpiece made entirely from donated human hair. For more information about the program, visit www.locksoflove.org. For information about the Bel Air Middle event, call Shelly Sparks at 410-638-3095. **NEW!**
- On Friday, May 23rd at 11:00 a.m., the results of the Aberdeen Middle School Penny Wars fundraiser will be revealed. Pennies counted for a point each while coins of larger value count as negative points in the battle for supremacy that will benefit U.S. troops in Iraq and Afghanistan. Money raised will be presented to Ruth Hennigan of the Veterans of Foreign Wars Post 5337 Auxiliary to be used to purchase essential items for American soldiers fighting in Iraq and Afghanistan. In addition to sharing a few touching letters from the soldiers who have received care packages in the past, some teachers will be receiving pies in the face from their winning students. For information, contact Jodi Guicheteau at 410-273-5510. **NEW!**
- The 2008 Harford County Public Schools Teacher Night at Ripken Stadium will be held on Saturday, August 30th. On that evening, the Ten 2008-09 Harford County Public School Teacher of the Year Finalists will be honored and the Teacher of the Year will throw out the first pitch. It is also the Harford County Education Association (HCEA) night at the Stadium. Forty tickets have been reserved for Harford County Public School teachers – 20 each at \$9.50 per ticket in the Reserved Section and \$12.50 per ticket in the Loge Section. The price of admission includes a free Ironbirds cap, a game program, and free parking. To purchase tickets, call Jenna Raglani, Ironbirds Account Executive, at 410-297-9292, ext. 317.
- Beginning in November of 2007, two of teachers at William Paca/Old Post Road Elementary, Mr. Rieth (music teacher) and Mr. Navin (fifth grade teacher) challenged the 3rd, 4th and 5th grade students to read 21,000 books at their level by the end of May 2008. The students ran with the challenge reading 21,045 books. Students were required to complete a "book slip" for each entry which included a summary of the book, as well as other information such as character traits. In the mean time, Mr. Rieth and Mr. Navin have been growing their hair. On Friday, May 23rd, the "Reading Incentive Celebration" will take place with the ceremonious head-shaving of these two teachers at 9:05 a.m. at William Paca/Old Post Road. For more information, contact Carinda Rafferty at 410-612-1737.
- Susan M. Brock, RN, was named the HCPS Nurse of the Year for 2007-08. The 23-year Churchville Elementary School Nurse is a native Harford Countian who grew up respecting the nurses she encountered, developing a desire to become a nurse. Starting as a nurse assigned two schools – Riverside and Churchville, in 1987, she was assigned full-time to Churchville where she has been "the heart of the school" since. As the school's only medical professional, she provides routine and emergency care to students and staff. She also teaches lessons in hand washing, safety in the sun, and many other healthy-living issues. For more information, contact Don Morrison at 410-588-5203.
- Fallston High School's Chemathon Level II team won the 2008 regional championship, topping 21 other teams in the competition. The Fallston team, coached by Chemistry teacher Sue Fox, earned two first place awards

– the “Balancing Act” and “Chemical Jeopardy,” second place in the crystal-growing event, and third place in “Chemysteries,” to earn the overall top rating. It was the first time the Fallston High Level II team has won a regional Chemathon. Call 410-638-4120 for more information.

• At MICCA’s 2008 conference, held on May 1st, Martha E. Barwick, Media Specialist at Bakerfield Elementary School in Aberdeen, was honored as Harford County’s Outstanding Educator Using Technology Award winner. Nominated by Janey Mayo, HCPS Technology Coordinator, Ms. Barwick is in her twelfth year of teaching, all but three of those in Harford County. For more information, call 410-273-5518.

• The 2007-08 “Excellence in Staff Development Award” recipient is Mary Boswell-McComas, Instructional Facilitator at Aberdeen High School, in recognition of the “High Quality Initial and Closing Instruction” embedded staff development she and others executed at the school during the second quarter of last school year and continuing through the winter of the 2007-08 school year. Call 410-273-5500 for more information.

• Annually, the Maryland Future Farmers of America (FFA) holds a Spring Judging competition at the University of Maryland/College Park for teams in Career Development Events (CDEs). More than 450 FFA members attended the 2008 event, which was held on April 8th. The four-member Harford Technical High School Food Science team finished first in that event among the 12 teams competing at the Spring Judging event. The team is composed of Marc Donars, Jen Preston, Kait Bischoff, and Samie Pencek. The Harford Tech team advisor is Agri-Business teacher Naomi Knight. The four – along with Zach Hout and Nykki Stritzinger – also won individual gold medals in the competition. The winning Tech Food Science team qualified for a trip to Indianapolis, Indiana in October for the national championships. For more information, call Renie Valenti at 410-638-3804.

• 200 eighth grade science students will participate in a special day of science demonstrations and interaction with area scientists and engineers through a cooperative effort with Harford Community College, Northeastern Maryland Technology Council, SAIC, and Aberdeen Proving Ground. The event will occur on May 29th from 9:30 a.m. to 1:15 p.m. at HCC beginning in the Student Center. This event is called TNT, which stands for Technology Needs Teens and the intent is to provide further inspiration and attraction to science as an area of study and exposure to the many great careers in this area. For more information, contact Supervisor of Science, Dr. Dennis Kirkwood at 410-588-5217.

• Magnolia Middle School will host its Second Annual Medieval Festival on Friday, May 23rd. The event will take place at the school throughout the entire day. For more information, contact Deanna McJilton at 410-612-1525.

• On June 5th at 7:00 p.m., Youth’s Benefit Elementary is hosting Mark Wood, of the Tran Siberian Orchestra, for a concert at Fallston High School. Mark Wood has come to YBES the past two years for a concert and workshops with our string students. The concert is a fundraiser for our arts programs at YBES. The cost is \$15 per seat. For more information, call Brad Stinar, Assistant Principal at YBES, at 410-638-4190.

• The Maryland Summer Center for Action Investigation is currently accepting applications for their program July 14-25th. The program is located at Harford Glen Environmental Education Center. This is a day program running from 8:00 a.m. - 3:00 p.m. Students entering grades 5th-8th are encouraged to apply. The program develops primary research skills using Harford Glen as its focus. Last year students conducted research on the pine tree infestation and whitetail deer population. To view last year’s reports, go to www.hcps.org/gifted. Parents can register online at www.marylandpublicschools.org/summercenters. For questions, contact Eric Cromwell at 410-588-5354 or eric.cromwell@hcps.org.
