- *Reminder!* You are cordially invited to attend the Rededication Ceremony for Bel Air High School on Sunday, October 11th, at 2 p.m. in the Bel Air High Auditorium.
- *New!* The Harford County Environmental Scholarship Program awards a \$1000 scholarship to a graduating senior from each of Harford County's ten high schools. As with any scholarship program, community support is a vital part of continued success. The monies for these scholarships are provided through the generosity of local businesses who agree to be a Corporate Sponsor of one or more of the schools. The Corporate Sponsor contributes \$1000 to each school it chooses to sponsor. In addition, a countywide scholarship is awarded which is also funded through business contributions of \$500, \$250, and \$100. At this juncture, the Harford County Environmental Scholarship Committee invites organizations to support this local scholarship program by becoming a Corporate Sponsor for one or more of our ten local high schools. This is a wonderful opportunity for an organization to demonstrate a unique partnership between their business and public education. Through partnerships and community support, we can create a community of successful lifelong learners.
