

## SCHOOL PSYCHOLOGY INTERNSHIP

Applications for full time school psychology internships are now being accepted for the 2024-25 school year. A competitive stipend of \$25,000 is offered to the successful internship candidate, along with 10 paid leave days. Only candidates enrolled in NASP-approved/accredited Specialist-level school psychology training programs will be considered for these positions.

Applicants should complete an [online application](#) with the following uploaded attachments: (a letter of interest, resume, official undergraduate and graduate transcript, recent PRAXIS scores (if available), and three letters of professional reference). Other correspondences may be sent to:

**Harford County Public Schools  
Office of Psychological Services  
102 South Hickory Avenue  
Bel Air, MD 21014**

### As a Harford County Intern, you will:

- Address the cognitive, emotional, behavioral, and social factors that influence student achievement
- Support the psychological and mental health needs of students
- Grow, learn, and have fun in a supportive, collegial environment
