The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. But a <u>copayment</u> or <u>coinsurance</u> may apply. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own <u>out-of-pocket</u> <u>limits</u> , OR all family members may combine to meet the overall family <u>out-of-pocket limit</u> , depending upon <u>plan</u> coverage. Please refer to your contract for further details. |
| What is not included in the <u>out-of-pocket limit</u> ? | Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain pre- authorization for services. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |

Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |
