# HARFORD TECHNICAL HIGH SCHOOL TRANSPORTATION GUIDELINES

**A consolidated stop system for school bus transportation is utilized for all students attending Harford Technical High School**

- Parents are responsible for the safety of the student from the time they leave home in the morning until the time they board the school bus, and at the end of the school day, from the time the school bus departs the bus stop and the student reaches home.
- Students who live within walking distance of their neighborhood elementary, middle or high school may need to meet their bus at the local school.
- Stops for developments are located at the entrance of the development.
- **Harford Technical High School students are required to be at their bus stop 10 minutes prior to the stated pick-up time.**
- In many instances, ride time may exceed 45 minutes.
- Harford Technical High School bus stops may vary from the local attendance area designated stops.
- The school needs to have the student's current address and phone number. Changes cannot be given to the Transportation Department or bus driver.
- Students not utilizing morning bus service for a period of 10 consecutive school days will be dropped from the morning bus route to provide the shortest ride time for students who are utilizing bus service.
- Students not utilizing afternoon bus service for a period of 10 consecutive school days will be dropped from the afternoon bus route to provide the shortest ride time for students who are utilizing bus service.
- Students are permitted only to ride the bus they are assigned, utilizing their designated bus stop.
- Parents are responsible for contacting the school to restart bus service, once a student has been dropped from the bus route due to lack of use.
- On inclement weather days (even when schools are on time) buses may be delayed.
