

**BOARD OF EDUCATION OF HARFORD COUNTY
INFORMATIONAL BOARD REPORT**

DECISION ON DELETION OF BOARD POLICY

02-0037-000 STUDENT BACKPACK USE

OCTOBER 25, 2021

Background Information:

The Board maintains a manual which sets forth the various policies of the Harford County Public Schools. The manual contains policies which are either required by federal and state law and regulation or which are, in the Board's judgment, necessary and appropriate for the school system to operate in a lawful, appropriate, and effective manner.

Discussion:

Student backpack use is generally an operational matter which is more effectively regulated at the administrative level, i.e., by the Executive Directors and Directors of Elementary and Secondary Schools, based on information received from school administrators.

At the Board meeting of September 13, 2021, a request was made and approved by the Board to waive, in part, the application of the Student Backpack Use policy, insofar as it pertains to carrying cases and string bags used by students to carry electronic devices used for instructional purposes. Also at the September 13, 2021, Board meeting, the Superintendent also recommended to the Board that Board policy 02-0037-000 Student Backpack Use be deleted as the Superintendent believes that the subject of the policy generally is an operational in nature and would be more appropriately the subject of an administrative procedure.

The policy was posted for public comment and no comments have been received.

Superintendent's Recommendation:

The Superintendent recommends that the Board Policy entitled 02-0037-000 Student Backpack Use, be deleted from the Board Policy Manual.
