# BOARD OF EDUCATION OF HARFORD COUNTY 

## INFORMATIONAL REPORT

# PRESENTATION OF <br> Quarterly Financial Report for the Period Ending June 30, 2022 Preliminary and Unaudited 

September 19, 2022

## Background Information

Each quarter, a series of high-level financial reports are prepared and distributed to the Board of Education and the Board's Audit Committee. These reports are for the last quarter of the fiscal year and represent all of the activity for the fiscal year. The reports are presented on the budgetary basis of accounting.

## Discussion

Included in this report are detailed analyses of revenues and expenditures. All information presented herein is preliminary and unaudited; however, no material changes are expected. Highlights of this financial information are as follows:

- Revenues - Total revenue received for FY 2022 is $103.4 \%$ of budget.
- Expenditures - Expenditures for the fiscal year were approximately $96.7 \%$ of the appropriation.
- Fund Balance - Projected unassigned fund balance is $\$ 43.0$ million.
- Assignments for fund balance include the following:
- FY23 Budget $\$ 4.8$ million
- Fuel $\$ 1.0$ million
- Transfer to Food and Nutrition $\$ 1.2$ million
- Lease payments for student and teacher devices $\$ 4.0$ million
- Transfer to capital projects $\$ 5.3$ million
- Transfer to restricted fund $\$ 5.0$ million

## Superintendent's Recommendation

The Superintendent of Schools recommends that the Board of Education accept the Quarterly Financial Report for the Period Ending June 30, 2022.

## INTRODUCTION

Attached is the financial report for the Unrestricted Fund (Executive Summary, Schedules A, B, C, and D) for the fiscal year ending June 30, 2022. The report presents the Statement of Revenues, Expenditures and Changes in Fund Balance for the fiscal year and is not audited. The Executive Summary adds a column, "\% to Total Actual," in order to show the relative value of each revenue or expenditure line to the total actual year-to-date revenues or expenditures.

Statements of expenditures by program, budget manager, and school are also presented. In addition, the Statement of Revenues, Expenditures, and Changes in Fund Balance for Food Services and a list of Capital Projects balances are included.

These statements are prepared on the budgetary basis. Budgetary basis statements include open purchase orders charged against the appropriation amounts for that year as legal obligations and exclude other expenditures made on behalf of the Board, including the contribution by the State of Maryland to the State Teacher's Pension Fund. Under generally accepted accounting principles (GAAP), encumbrances are excluded and on-behalf payments are included; therefore, these statements are non-GAAP.

The column "\% Year-to-Date to Budget" may be used as a barometer in your review of these statements.

## ANALYSIS

## Unrestricted Fund

## Revenues

Overall, total revenue received at year-end is at 103.4.\% of the amount budgeted for the year, or $\$ 17.6$ million above budget. While there were various shortfalls in revenue, $\$ 15.0$ million was withdrawn from the healthcare rate stabilization account which provided the majority of the non-budgeted revenue and remains in the unassigned fund balance.

The chart below provides information on revenue received as a percentage of budget for each funding source over the past five years as of June 30 .

## Expenditures

Expenditures in all categories are less than budget and total $96.7 \%$ of the appropriation compared to $95.4 \%$ for June 30, 2021. The categorical view of expenditures as presented within the Statement of Revenues, Expenditures and Changes in Fund Balance with Supporting Schedules A, B, C, and D is the view of expenditures as required by the State. By category, the chart below provides information on the level of expenditures as a percentage of budgets for each of the past five years as of June 30.

The two largest variances were in the state categories of fixed charges ( $\$ 10.2$ million) and instructional salaries ( $\$ 2.3$ million). Fixed charges were significantly less than budget due to the implementation of the Medicare Advantage health insurance plan for retirees and also to vacancies. The instructional salary variance is due mainly to vacancies.

In order to provide alternate views of expenditures, three additional expenditure statements are included--by Program, by Budget Manager, and by School Allocation. These views of expenditures are consistent with the budgeting system used by HCPS.

## Statement of Program Budget Expenditures

FY 2022 spending by program is indicated below, with total spending at $96.7 \%$ of budget compared to $95.4 \%$ of budget for June 30, 2021. Additional detail may be found on page 14.

## Statement of Budget Manager Expenditures

Budget manager spending for the fourth quarter is less than prior years at $96.7 \%$ compared to $95.4 \%$ at June 30 , 2021. The report may be found on page 15 .

## The Statement of School Allocation Expenditures

At $83.7 \%$ of allocation, school and central office spending for the fiscal year is higher than in the prior year, which was $71.7 \%$, but in line with previous years. To provide historical context, percentage spent comparisons are shown for prior years. This report is provided to the Executive Directors of Elementary, Middle and High School Performance and is used as part of the evaluation process for building administrators. When we reallocate funds between categories, the goal is to remain within budget for any particular category.

## Fund Balance

Fund Balance is accumulated surplus from prior years when revenues exceeded expenditures. The preliminary surplus for FY 2022 is $\$ 34.9$ million, as described above. Accumulated fund balance at July 1, 2021 was $\$ 49.5$ million; however, $\$ 3.0$ million is recognized as revenue in FY 2022. Additional assignments include the following: $\$ 4.8$ million for ongoing expenses in FY 2023, $\$ 1.0$ million for a fuel contingency, $\$ 1.2$ million is assigned for assistance to Food and Nutrition Services, if necessary, and $\$ 4.0$ million is assigned to cover future lease payments for student and teacher devices. In addition, $\$ 17.0$ million was transferred to the capital projects fund in FY 2022 and $\$ 5.3$ million will be transferred to the capital projects fund in FY 2023. Also in FY 2023, $\$ 5.0$ million will be transferred to the restricted fund for the talent pathways initiative. Current assignments may be found in the chart below. Nonspendable fund balance represents resources that cannot be spent because of their form or due to contractual requirements. After subtracting all assignments/allocations, the preliminary unassigned fund balance is $\$ 43.0$ million. Unassigned fund balance in the unrestricted budget is available for expenses or emergencies in FY 2023 or years beyond.

## Projected Excess of Revenues over Expenditures

| Total Fund Balance at July 1, 2021 |  |
| :--- | ---: |
| Prior year fund balance recognized as revenue above | $2,989,500$ |
| Assigned for FY2023 Budget | $4,791,581$ |
| Assigned for FY2022 transfer to capital projects fund | $17,000,000$ |
| Assigned for FY2023 transfer to restricted fund | $5,000,000$ |
| Assigned for FY2023 transfer to capital projects fund | $5,250,000$ |
| Assigned for emergency fuel | $1,000,000$ |
| Assigned for future transfer to food services fund | $1,200,000$ |
| Assigned for future lease payments for devices | $4,000,000$ |
| Non-spendable fund balance | 165,983 |

## Health Insurance Expenditures and Loss Ratio

For FY 2022, health insurance expenditures are budgeted at $17.6 \%$ of the school system's total unrestricted fund expenditures. Actual expenditures were $16.1 \%$ of the budget. The loss ratio from CareFirst is a measure of claims paid against premiums paid for our self-insured health benefits program. Loss ratio is a good indicator of whether the estimated premium will be adequate to cover costs or if additional premium payments, a 'call', will be necessary. Generally, a target loss ratio of $90 \%$ allows enough margin to cover incurred but unreported or unpaid claims, as well as administrative expenses, and thereby avoid a call. Keep in mind that the plan year coincides with the fiscal year, which is when premium amounts change. A change in premium is based upon projections for future health costs and is somewhat predicated on the claims experience from the preceding calendar year.

The loss ratio for the fiscal year-to-date is $95.2 \%$, compared to $93.9 \%$ at June 30,2021 . For the calendar year-to-date the loss ratio is $97.9 \%$ compared to $99.9 \%$ for the calendar year-to-date at June 30, 2021. These ratios are trending upward towards pre-pandemic percentages. However, based on the overall fiscal year experience, HCPS is anticipating a surplus when comparing premiums paid to expenses incurred. Final reconciliation will occur during the fall.

In order to protect HCPS from unusually high claims within a plan year, HCPS purchases stop-loss insurance on individual claims that exceed $\$ 400 \mathrm{~K}$ during the plan year and aggregate claims in excess of $125 \%$ of estimates. Claims exceeding the stop-loss levels will be removed from our actual experience at settlement.

The chart below tracks the loss ratio for three periods of time: the quarter, the calendar year, and the fiscal year.

## Food Services Fund

The Food Services Fund is a self-supporting fund that has not received any Unrestricted Fund support. At June 30, 2022 revenues exceeded expenditures by $\$ 8.0$ million due to the extended USDA waivers and the higher program participation and corresponding reimbursement rate for meals served.

## Capital Projects Fund

Capital Projects Balances as of June 30, 2022 are reported for all open projects. These are listed by project category on page 18. In total, $\$ 289.5$ million is budgeted for active capital projects. The total spent is $\$ 271.8$ million, leaving approximately $6.0 \%$ unspent at June 30. The graph below provides the percentage of total capital funds spent, encumbered, and remaining.
