Discussion

The Harford Center's Board of Directors has two required, appointed positions. One of those positions is from the Board of Education and was most recently filled by Mr. Randy Geyer. Mr. Geyer, is unable to continue in this role, leaving a vacant position. In order for the Harford Center to be in compliance, the Board of Directors have requested that the Board of Education, appoint a new member to replace Mr. Geyer.

Interested candidate, Ms. Sarah Kilian, is being recommended to fill the vacant position on the Harford Center's Board of Directors. Ms. Kilian, with decades of experience working with individuals with differing abilities, is eager to step into this position. If the Board of Education approves this recommendation, then The Harford Center Board of Directors will seek approval from the County Executive and finally the County Council votes on the final appointment.
