Description:

<ul style="list-style-type: none">• This contract provides a web-based system for the administration and processing of medical, dental, vision, flexible spending accounts, and life insurance enrollments.• HCPS employees, current and retired, utilize this online system to enroll and/or make changes to their benefits.• The cost of this service is \$1.63 per employee per month. The total participation is estimated to be 8,742 individuals per month.• The new ERP system, currently being implemented, includes a module for employee benefits. After the implementation is complete, HCPS will no longer utilize Benelogic for these services.• This procurement is considered a single source based on continuity of services due to the cost and time associated with implementing a new platform, until the new ERP is fully functional.
