BOARD OF EDUCATION OF HARFORD COUNTY

Proposed 2026-2027 HCPS Calendar

September 22, 2025

Background Information:

Each year, the Board of Education of Harford County appoints a Calendar Committee to make recommendations for the "out year" Harford County Public Schools calendar. The 38-person committee – composed of representatives from the community and the school system – is charged with recommending a proposed calendar for the upcoming school year. The committee meets and attempts to reach consensus on the proposed "out year" calendar during the month of September. The Board holds the proposal over for at least 60 days to allow for public comment (the proposed calendar is placed on the HCPS website). The Board appointed calendar committee and Board members review public comments. The committee provides a proposal with public comment taken into consideration by the Superintendent who reviews it and makes a recommendation to the Board to adopt the calendar as proposed by the committee or with suggested changes. The Board then votes to adopt a calendar for the "out year" at a subsequent meeting.

Discussion:

This year, the membership of the 2026-27 Calendar Committee (roster attached) was approved by the Board of Education at its August meeting. The committee met on September 4, 2025. The proposed calendar is being presented for public comment and a subsequent Board vote. The calendar feature: The 180-day student/190-day teacher calendar (grid attached) contains the following features:

- 180 student days
- 190 teacher days
- Thanksgiving break
- Winter break
- Spring break
- Professional development and early dismissal days: schools are closed to students to allow staff learning.
- Holiday closures per negotiated agreements: schools and offices are closed to students and
- Inclement weather days built into the calendars.

Superintendent's Recommendation:

The Superintendent recommends the Board accept the proposed 2026-2027 school calendar as presented by the Calendar Committee for 60 days of public comment.
