HCPS MENTORSHIP ALLIANCE

The Harford County Public Schools (HCPS) Mentorship Alliance is a districtwide effort designed to unify and elevate all mentorship programs serving our students, staff, and community. Through this coordinated framework, HCPS offers a centralized hub for information and access to mentorship opportunities across HCPS. Our mission is to foster meaningful, safe, and supportive relationships that empower students, enrich professional development for staff, and strengthen community involvement. Whether through academic guidance, career exploration, peer mentoring, or community partnerships, the HCPS Mentorship Alliance brings together diverse programs in one accessible place - ensuring every participant has clear pathways to connect. By connecting students with mentors and opportunities, HCPS is working to strengthen the fabric of our school community - one relationship at a time.

Our Commitment to Safety and Security

Student safety and well-being are the foundation of every mentorship interaction. All mentorship programs within the HCPS Mentorship Alliance follow strict safety protocols, including required background checks for adult mentors, training on appropriate conduct, and ongoing supervision by HCPS personnel. Mentorship activities take place in structured, supervised environments, and all participants are expected to follow HCPS's Code of Conduct and Board of Education policies. We are committed to fostering relationships that support student development while upholding a safe and respectful learning environment.

HCPS Mentorship Alliance Interest Form

When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.

Introduction

HCPS is building a roster of adult mentors to support students in mentoring programs such as Civics & Chess, EDES Girls Mentoring, First Ladies of Edgewood, Together We Rise Peer Tutor Mentors, Will Power, and Young Men on Tour.

This interest form collects your interest, availability, and areas of expertise. Your responses will be reviewed by our district and school team—someone will follow up regarding next steps and the background check process. Thank you for your willingness to serve!

Please note: Volunteering with HCPS mentoring programs requires a background check. You will not be able to complete or submit this form without consenting to an HCPS background check.
