

Board of Education of Harford County
Informational Report
Presentation on HCPS Academic Performance: State Assessments
October 27, 2025

Background Information:

The purpose of this presentation is to provide an update regarding academic measures for Harford County Public Schools (HCPS) from the 2024-25 school year. This presentation includes student performance data from the Maryland Comprehensive Assessment Program (MCAP) in English/Language Arts Literacy, mathematics, science, and social studies. Goal 1 of the Strategic Plan indicates that HCPS prepares every student for success in postsecondary education and a career. The presentation will highlight the executive summary of an extensive MCAP performance report that addresses performance, comparison to other counties, and key findings.

Discussion:

The following measures will be presented:

- MCAP English/Language Arts historical proficiency rates and assessment highlights
- MCAP Mathematics
- Maryland Integrated Science Assessment (MISA) grades 5, 8, and LS MISA
- Social Studies Grade 8 and American Government

Attachments:

The following materials are presented to the Board of Education:

- Report: 2024-2025 MCAP Performance Data and Key Findings
- Presentation: Executive Summary 2024-2025 MCAP Performance

Superintendent's Recommendation:

The Superintendent recommends the Board accept this informational report regarding the academic performance review for the 2024-25 school year.
