

BOARD OF EDUCATION OF HARFORD COUNTY

INFORMATIONAL REPORT

PRESENTATION OF Annual Comprehensive Financial Report for the Year Ending June 30, 2025

November 17, 2025

Background Information

Harford County Public Schools (HCPS) is required to have an annual audit by an independent certified public accounting firm as defined in The Education Article Sec5-109. The independent public accounting firm of CliftonLarsonAllen LLP has issued the auditor's report for the fiscal year just ended.

Discussion

The Annual Comprehensive Financial Report for the fiscal year ended June 30, 2025 contains audited financial statements, schedules, exhibits, and footnotes, as well as opinions of the Independent Public Accountants of CliftonLarsonAllen LLP. The financial statements are prepared in accordance with national generally accepted accounting principles. This report is required to be filed with the Maryland State Department of Education (MSDE) by September 30. HCPS did miss the deadline this year due to a delayed year-end close as a result of our ERP implementation. We did file our report with MSDE on October 27, 2025. Copies have been submitted to the Board and are available to the community on-line at <https://www.hcps.org/departments/docs/BusinessServices/FY25ACFR.pdf>

Auditing standards require that, in addition to the opinion they provide, the independent auditors are required to make certain representations to the governing body of public entities concerning the audit report they issue. All of these requirements have been met. An additional year-end report will be subsequently issued, the Single Audit, which pertains to federal financial assistance. The remaining report will be provided to the Board upon issuance.
