The Board has authorized public comment as follows:

- Board policy permits speaker three (3) minutes to provide comments. **However, Board policy authorizes the Board to reduce the amount of time allocated to each speaker if allocating 3 minutes to each speaker will impede the Board's ability to complete scheduled business.**
- The Board will receive in-person public comment first and virtual public comment second. The Board expects that all comments will be submitted with the decorum and respect appropriate to the conduct of public business.
- Topics such as personnel matters, pending appeals, specific student disciplinary matters or which constitute commercial solicitations are not permitted.
- Disparaging comments, personal attacks, and inflammatory remarks about specific schools or personnel are not permitted. Speakers who engage in these comments will be reminded of the rules and the Board reserves the right to remove the speaker. In addition, public comment is an opportunity for members of the community to address the Board of Education. Please direct your comments to the Board and not to other members of the public in the audience.
- All public comments submitted will be part of the records maintained by the Board office.

Speakers are reminded that public comments are considered public information and, as such, are subject to the Maryland Public Information Act.
