What steps will be taken to address this over the course of the next year prior to Kindergarten:

A child who resides in Harford County and is five (5) years old may be exempted from mandatory school attendance for one (1) school year if the child's parent, guardian, or caretaker believes that a delay in school attendance is in the best interest of the child. The parent, guardian, or caretaker must file a signed maturity waiver form with the Director of Student Services requesting the waiver prior to the opening of school of the year in which the child becomes five (5) years old. In submitting the mandatory waiver, the parent understands that it would be expected that the child enter kindergarten the following school year.
