

High School Summer Learning Program

Program Description

The Harford County Public Schools (HCPS) Summer Learning Program provides high school students with expanded access to curricula aligned to the Maryland College Career Readiness Standards. Students will sit for the appropriate graduation assessment exam(s) at the end of the summer program if offered by the Maryland State Department of Education. Teachers will be hired to teach Mathematics, English, Science, and Social Studies courses in a face-to-face or blended learning setting.
