HCPS Technology Access at Home – Personal Device
Secondary Students

Middle School Students
6 – 8

High School Students
9 – 12

Note Grade 6 Office 365 Registration and Security Questions Requirement (page 2)

What is my login at home?
via Office 365 credentials

Username = firstnamelastname@student.hcps.org
(Sample) aaronburr@student.hcps.org

Password = Current HCPS Password
Current password used this summer or last year. Students new to HCPS, passwords will be provided by the school

Login Support
Complete the Technical Support Form to receive help with HCPS usernames and/or passwords

Can I change my password at home?
Yes
You can reset your password at home by using Reset Password Utility

BEFORE you can use the Reset Password Utility, you must have registered your account (See Grade 6)

1. From Start.hcps.org click the Office 365 tile.

2. Click Can't access your account.

3. Enter your 365 username ID ________@student.hcps.org

4. Follow the next few steps and enter a new password twice, following HCPS password criteria.

5. If you need support in resetting your password, contact technicalquestions@hcps.org.

Grade 6 students will register their account upon entry to Grade 6

The first time Grade 6 students go to Office 365 in school, they will be prompted to register their account by entering security information:

1. REQUIRED: Students enter three security question answers:

   Tips:
   • Use all lowercase letters.
   • Choose easy to spell answers.

   Favorite thing to eat? hors d'oeuvres (NOT a good choice.)

2. OPTIONAL: Students enter YOUR cell phone number, OR personal email if you have one.

**Complete the Technical Support Form to receive help with HCPS usernames and/or passwords**

HCPS Technology Access – Secondary at Home – Personal Device
What is the best way to access school resources from home?

**start.hcps.org**

Select the Student Resource tile you need

Students will be prompted to login with HCPS 365 credentials.

Username = Username@student.hcps.org

HCPS Network Password

Note: the HAC username / password will be unique to what the parent and student will set up. (See last page of document)
# FAQ

<thead>
<tr>
<th>Question</th>
<th>Answer</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>What software or Chrome extensions (Chromebook) might support my learning?</strong></td>
<td>Any HCPS student may download and install Office 365 applications on up to 5 devices for free. Installation of these applications is not required. Access <a href="#">install directions</a>. The <a href="#">Office 365 extension</a> can be added to the Chrome browser. Students will use their HCPS username and password (see Pg. 1) to sign in with their school account.</td>

<tr>
<td><strong>Can I use a tablet or smartphone to access instructional content and virtual instruction?</strong></td>
<td>It is not recommended that students use iPhones, Android phones or tablets, or Kindles, due to the limitations of the Chrome browser from these devices. iPads should only be used when the iOS is at least 10.0 to access the Microsoft Teams app and when the Chrome browser is available to access itslearning. Some features may be limited on an iPad.</td>

Home Access Center (HAC)

Students
6 - 12

Can I access HAC on my own to see my grades or progress?
Yes
Log in with your network credentials (NOT your 365 credentials)
hac.hcps.org/HomeAccess
Username (no added @student.hcps.org) + HCPS Network password

Parents
6 – 12

Will I need to access HAC to see my child’s grades or progress?
Yes
If this is your first child to enter HCPS, you will create an account with HAC.
hac.hcps.org/HomeAccess
If you already have an account with HAC, because you have another child in the system, you may select Change Student to see grades:

What if I do not see my second child’s name?
Contact HomeAccessCenter@hcps.org to have your second child’s school registration information linked with any other children you have in the system.
Provide your child’s:

Name
School ID
Grade
School
