STUDENT HEALTH GUIDELINES
COVID-19

HCPS Student Guidelines: COVID-19

Core Principle: We provide a safe and secure environment.

Long Term Goal 4: Provide safe, secure, and healthy learning environments that are conducive to effective teaching and learning, creativity and innovation.

Health Guidance measures provided will:

- Decrease the risk of exposure to COVID 19
- Identify and enable measures to mitigate the risk of COVID 19.

All students participating in any in-person HCPS activities MUST:

Be free of COVID-19 Symptoms

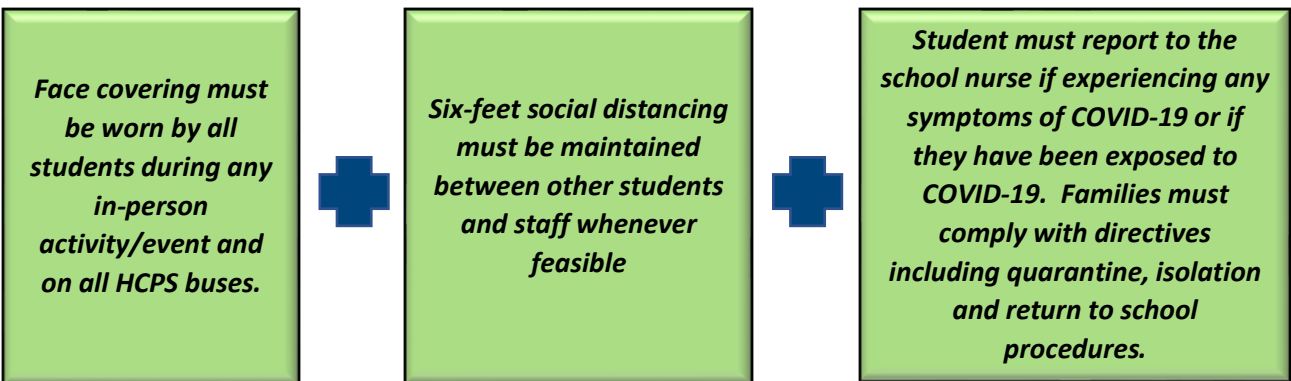

Fever ($\geq 100^{\circ}\text{F}$) or chills
Cough
Shortness of breath or difficulty breathing
Fatigue
Muscle or body aches
Headache
New loss of taste or smell
Sore throat
Congestion or runny nose
Nausea or vomiting
Diarrhea

Have no contact with anyone with COVID-19 (or presumed to have COVID-19) within the past 14 days

*Students who have underlying health conditions should consult their health care provider for guidance about the safety of in-person attendance.

Students must be free of fever without the use of fever reducing medications for the period of time directed by the Maryland Department of Health's current guidelines Parent/guardian must attest to the above via permission slip before participation in any in-person activity.

While participating in any in-person HCPS activities*

*Phase 1 and 2

Face coverings may be optional or required in all HCPS building based on state and local health department guidance.
