

NAVIGATING THE SYSTEM

A QUICK RESOURCE GUIDE FOR PARENTS/GUARDIANS

Every child can learn, but for a child struggling in school, education can be a challenging road to steer. As their parent, you are their best advocate to help make this road a little easier. You can actively engage in making sure your child gets the support they need. Use this quick resource guide to navigate our school system, and to find the best resources available for your child. Our goal is for every parent to feel empowered to help their child reach their full potential in school.
