# HCRASC HOSTS 2ND ANNUAL 5K

## HCRASC's Second Annual "CommUNITY in Motion" 5K Run and Walk Brings Harford County Together for Breast Cancer Awareness

**Bel Air, MD** – On Saturday, October 18, 2025, at Harford Technical High School, the Harford County Regional Association of Student Councils (HCRASC) successfully hosted their second annual CommUNITY in Motion 5K Run and Walk. Under the direction of HCRASC Advisor **Jennifer Kelley** and leadership of HCRASC President **Shreeya Shah**, the run brought together students, families, educators, and community from across Harford County for a day of fitness, unity, and philanthropy.

Doors opened at 9:00 a.m., and the event concluded at 10:00 a.m. with a strong turnout of enthusiastic participants and supporters.

The event not only encouraged physical activity and community engagement, but it also raised awareness for Breast Cancer Awareness Month. "We are incredibly grateful for the overwhelming support from sponsors, students, families, and staff," said **Viraj Singh**, HCRASC Chief of Staff. "It reminded us how strong our community can be when we're all in the same place, moving forward together."

Beyond the running course itself, the event featured a variety of family-friendly activities that made the day enjoyable for attendees of all ages. Guests participated in free face painting, cornhole, and life-sized board games.

The 2025 CommUNITY in Motion 5K built upon the success of the inaugural event, further solidifying HCRASC's commitment to fostering civic engagement, leadership, and compassion among Harford County students.

"Seeing and contributing to the growth of our annual 5K after two years of hard work and strong leadership has been an amazing experience," said **Vibha Nanduri**, HCRASC Vice President. "I'm so proud of the student leadership, collaboration, and outreach that happened to make this event a success."

HCRASC is excited to continue the tradition of bringing together community through events like this annual fall 5k, as well as their annual winter BINGO.

HCRASC remains committed to fostering civic engagement and encouraging student leadership.
