# HCRASC HOSTS 3RD ANNUAL BINGO

**Event Date:**  
13 March 2026

**Release Date:**  
28 March 2026

## With Support from Sponsors and Donors, HCRASC Raised Over \$2,300 for Student Advocacy and Breast Cancer Research Through Their Annual Bingo Event

**Aberdeen, MD** — The Harford County Regional Association of Student Councils (HCRASC) successfully hosted its 3rd Annual Bingo Night on March 13<sup>th</sup>, 2026 at Aberdeen High School, bringing together students, families, and community members for a fun, bingo-filled evening! Under Advisor **Jennifer Kelley**, HCRASC hosted 20 regular rounds, 3 special rounds, and 2 50-50 raffles. Though there was a slight delay due to rescheduling, the event was still a huge success; Bingo Night rose over \$2000!

As part of its charitable mission, HCRASC has proudly donated \$500 to the University of Maryland Medical System (UMMS) Breast Cancer Center. This money will support ongoing efforts in breast cancer treatment, research, and patient care.

The event was attended by around 100 people, including several Board members and community leaders. HCRASC was especially honored to host HCPS Interim Superintendent **Dr. Dyann Mack**, showing the importance of a strong relationship between HCRASC and the HCPS Board of Education.

HCRASC would like to recognize the work of multiple people and organizations that contributed to our success. “Bingo Night was a hit, but it’s important to note that we couldn’t have held this event without the help of all of our sponsors and donors,” remarked HCRASC Treasurer **Abby Lin**. “Overall, it was amazing to connect with the community and see everyone support our cause!” You can find the organizations that donated to Bingo Night at our Instagram (@hcrascmd).

Curious about the numbers? HCRASC donated \$500 to UCBC, and gained a final profit of around \$1800. This money will be primarily used to fund transportation to HCRASC events, like General Assemblies, for no cost to students, ensuring HCRASC events are accessible to delegates all over the county.

HCRASC remains committed to fostering civic engagement and encouraging student leadership.
