## HCRASC Sends the Greatest Number of Delegates in Years to Represent Harford County Public Schools at the State Level

**Ocean City, MD** – The Harford County Regional Association of Student Councils (HCRASC) delegation had an amazing time at the Maryland Association of Student Councils (MASC) Annual Convention from March 18–20, joining student leaders from across the state for three days of leadership development and collaboration by the beach.

The convention provided an action-packed experience for all attendees. Delegates participated in a variety of well-developed workshops designed to strengthen leadership skills, foster advocacy, and encourage meaningful student engagement. In addition, students had the opportunity to network with peers from across Maryland, exchanging ideas and building connections with other student leaders.

A key component of the convention was the election of the 2026–2027 MASC State Officer Team, in which HCRASC delegates played an active role by casting their votes and engaging in the democratic process.

This year, HCRASC brought a total of 79 student delegates, marking a notable increase from approximately 70 attendees the previous year. This growth reflects the organization’s continued commitment to expanding student leadership opportunities within, and outside of, Harford County.
