

High

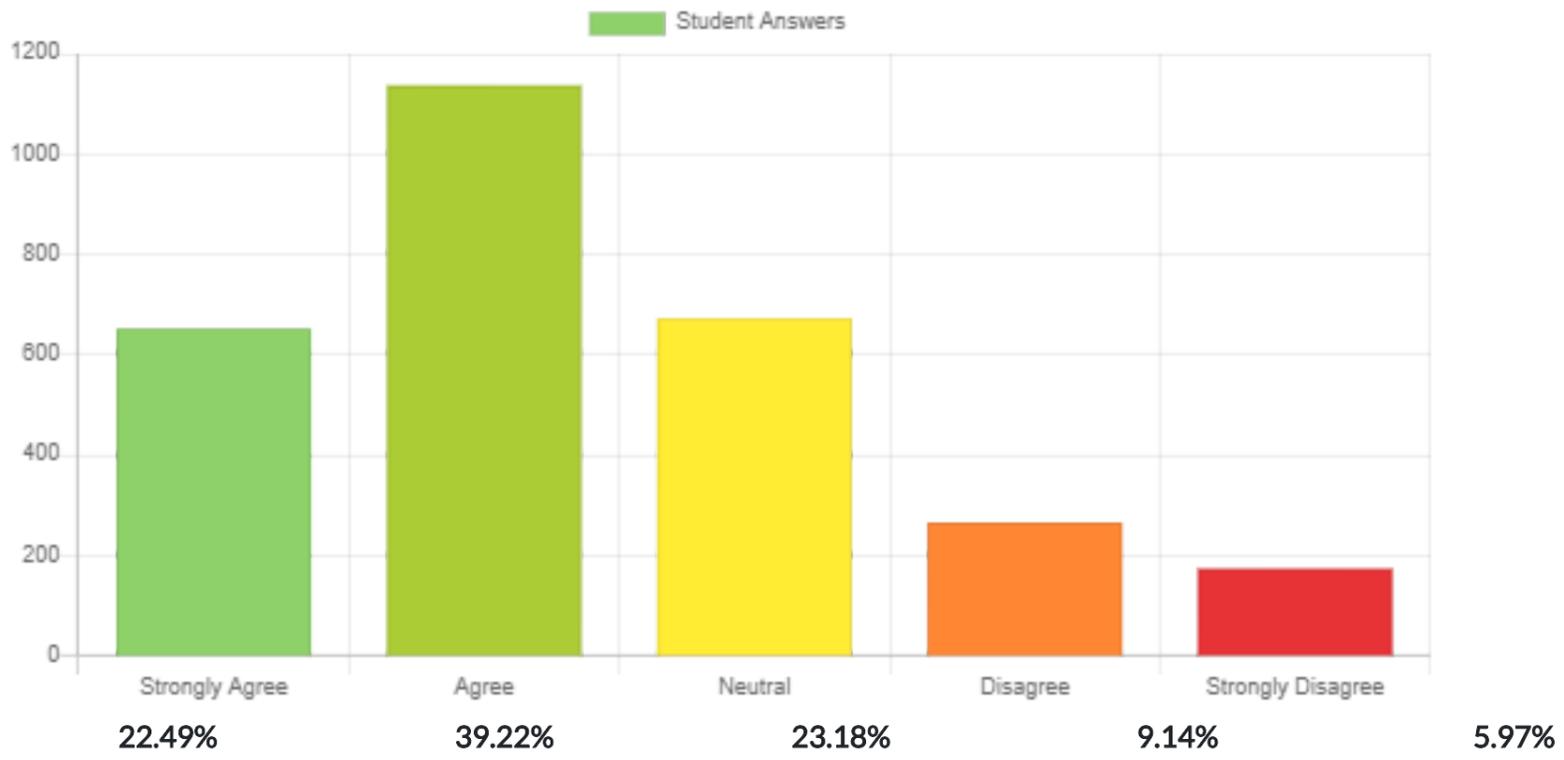

1. I like doing virtual assignments where I can work with my classmates in a small group.

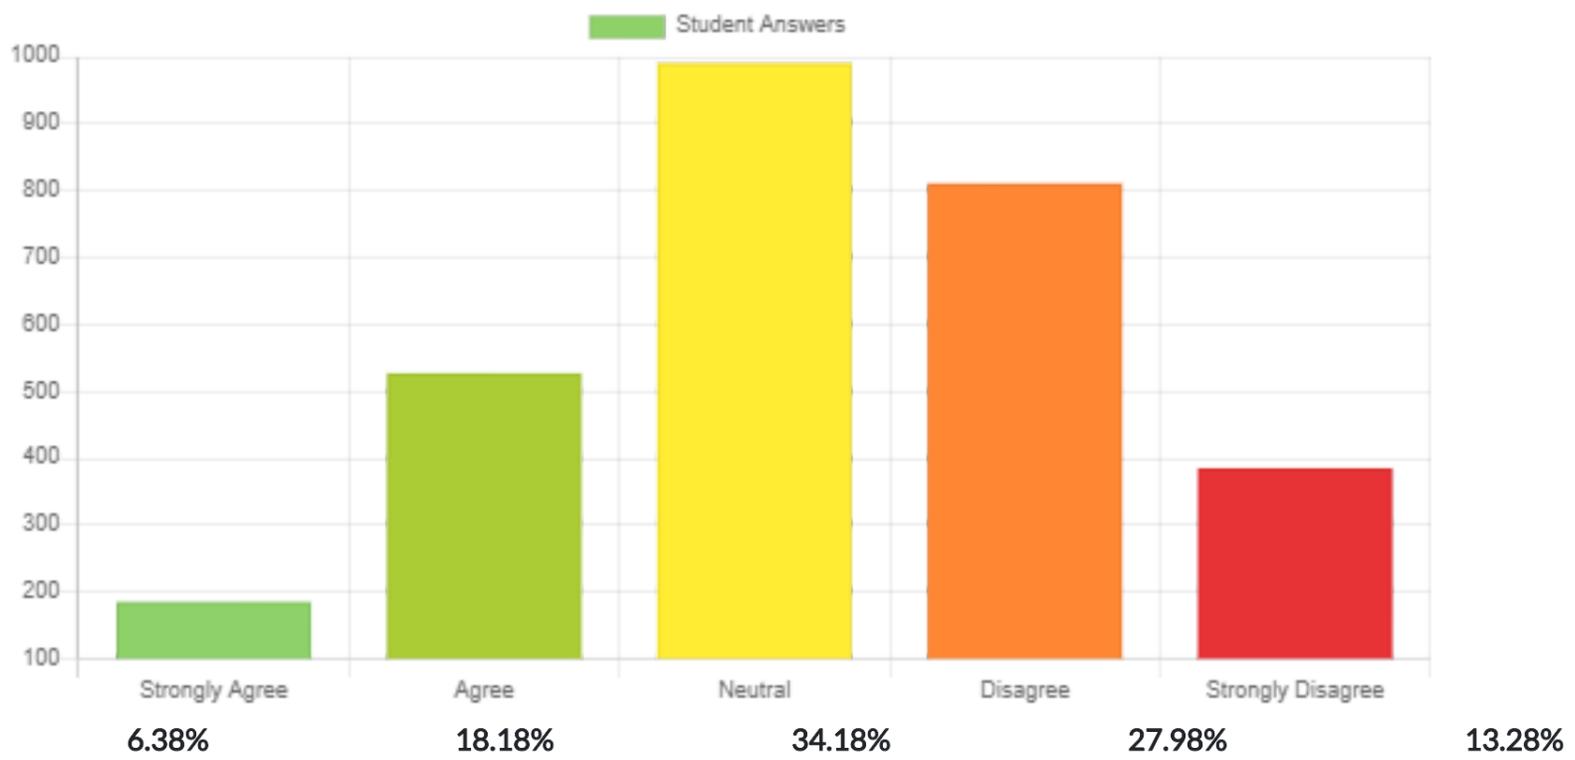

2. I like playing virtual learning games by myself

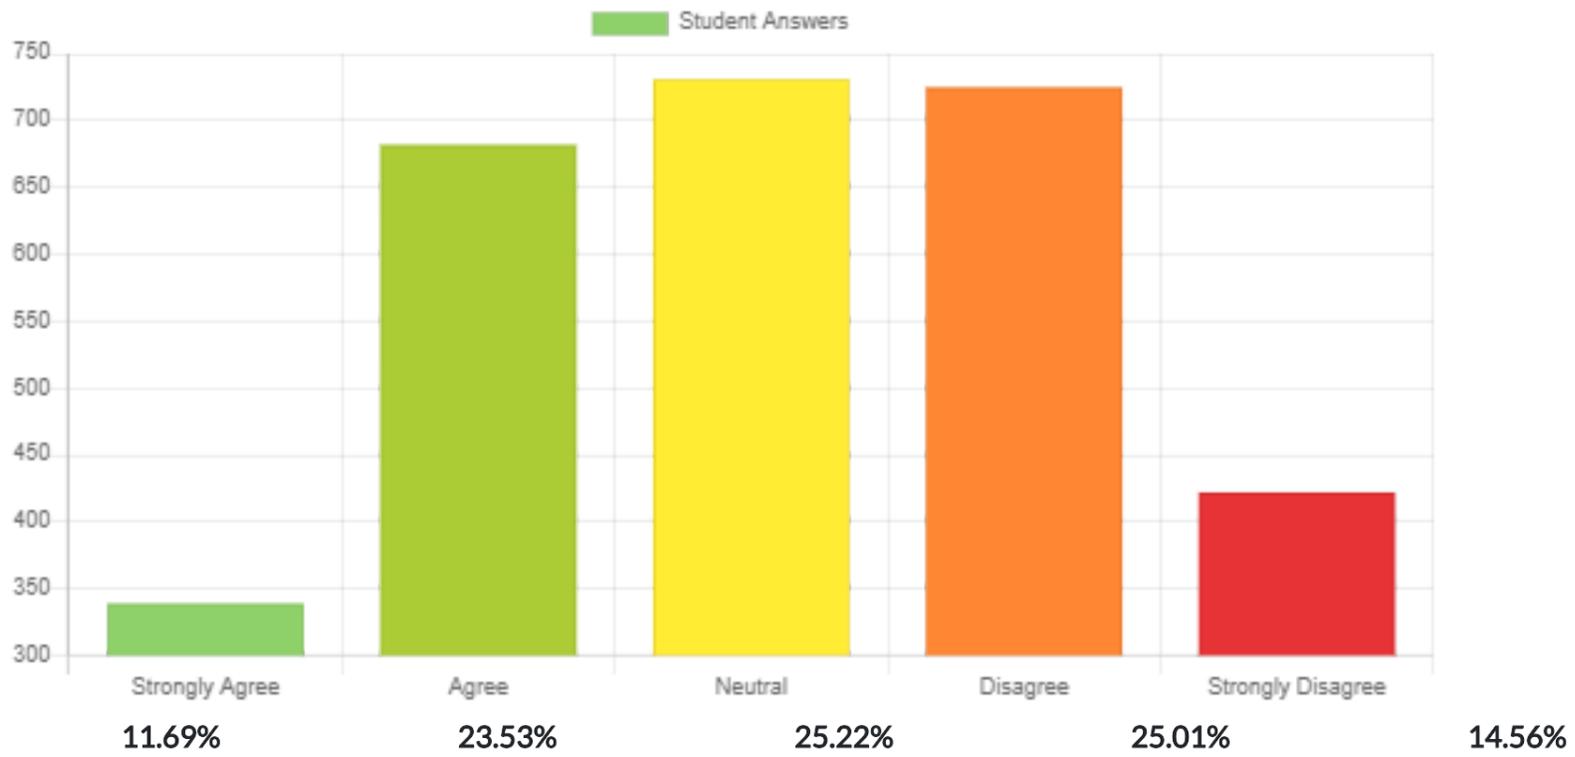

3. I like playing virtual competition games against my classmates.

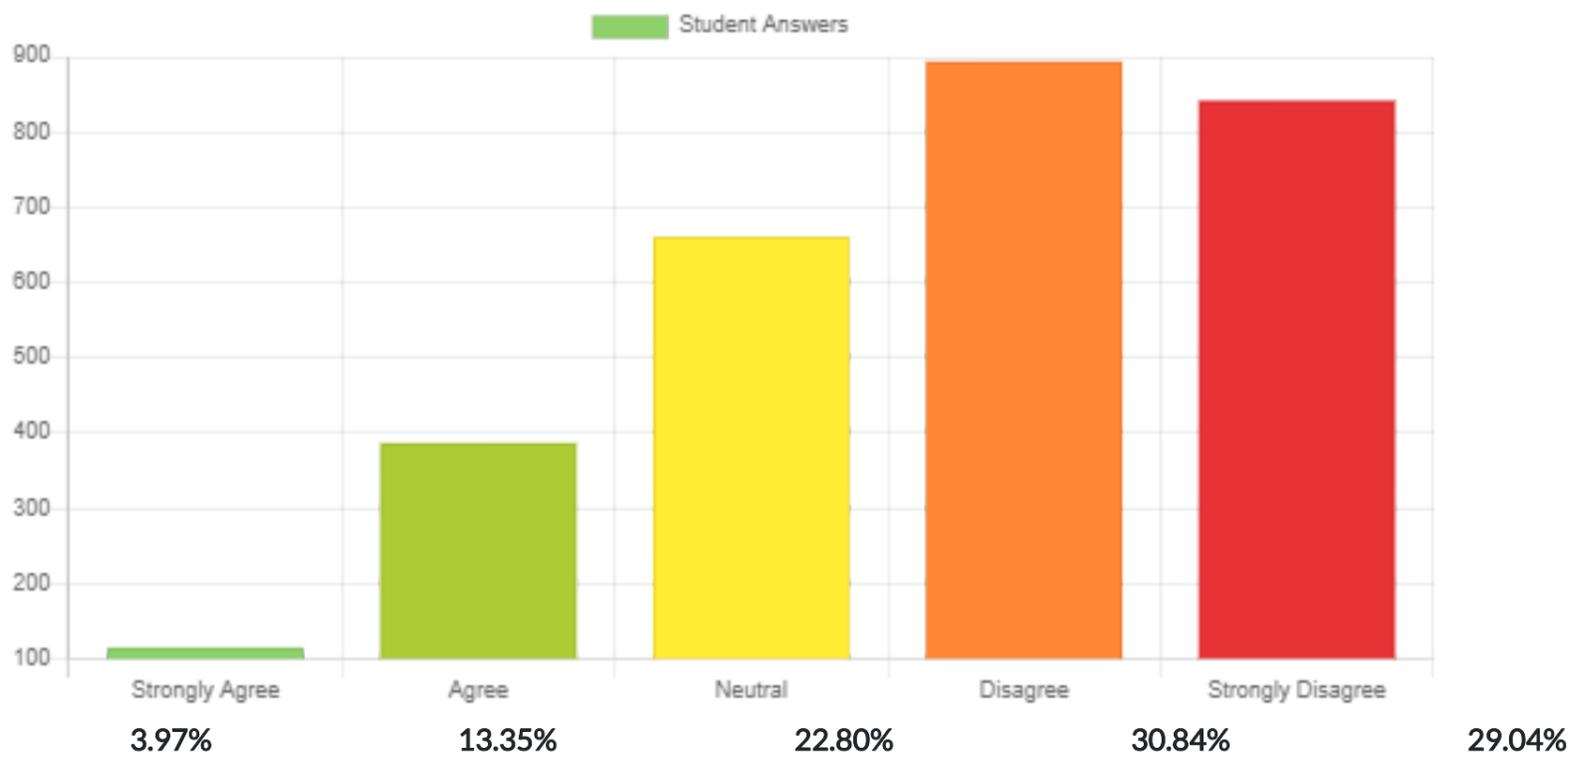

4. I like to create virtual flashcards to help me study.

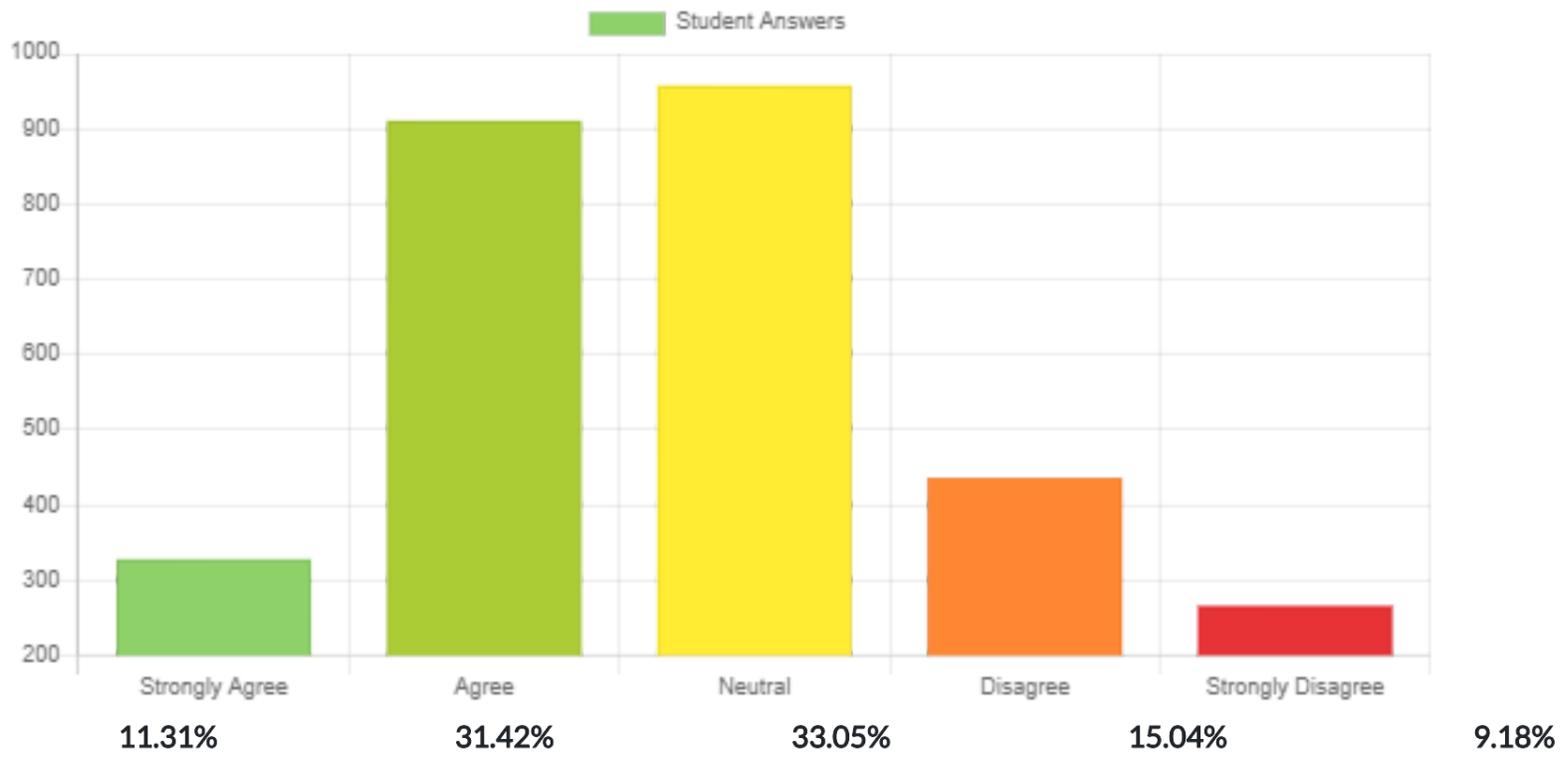

5. I prefer to watch pre-recorded videos of lessons and ask questions if I have them during class.

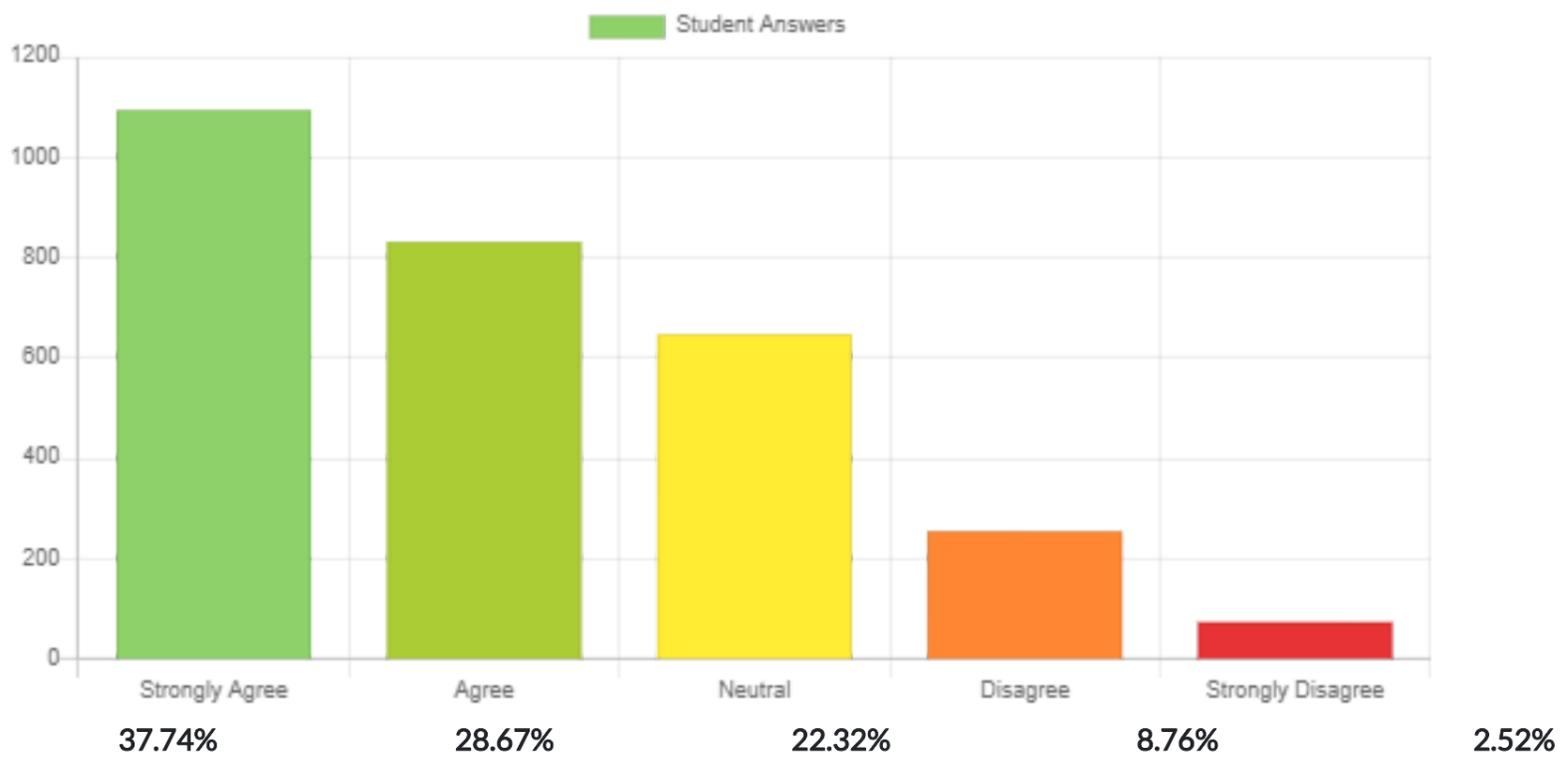

6. I like to show what I've learned by creating my own video, podcast, presentation, video, etc.

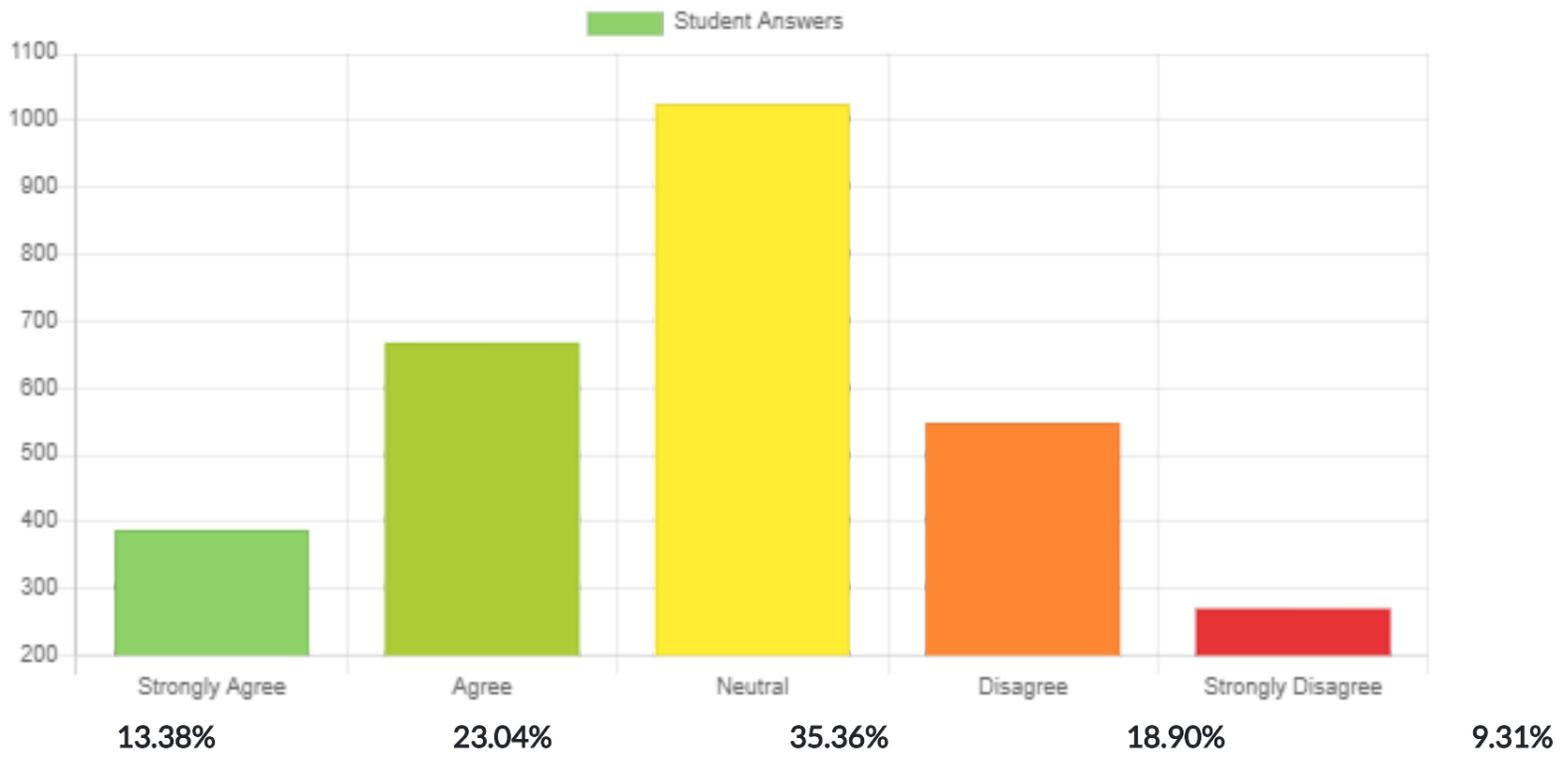

7. I enjoy listening to guest speakers and/or taking virtual field trips during class.

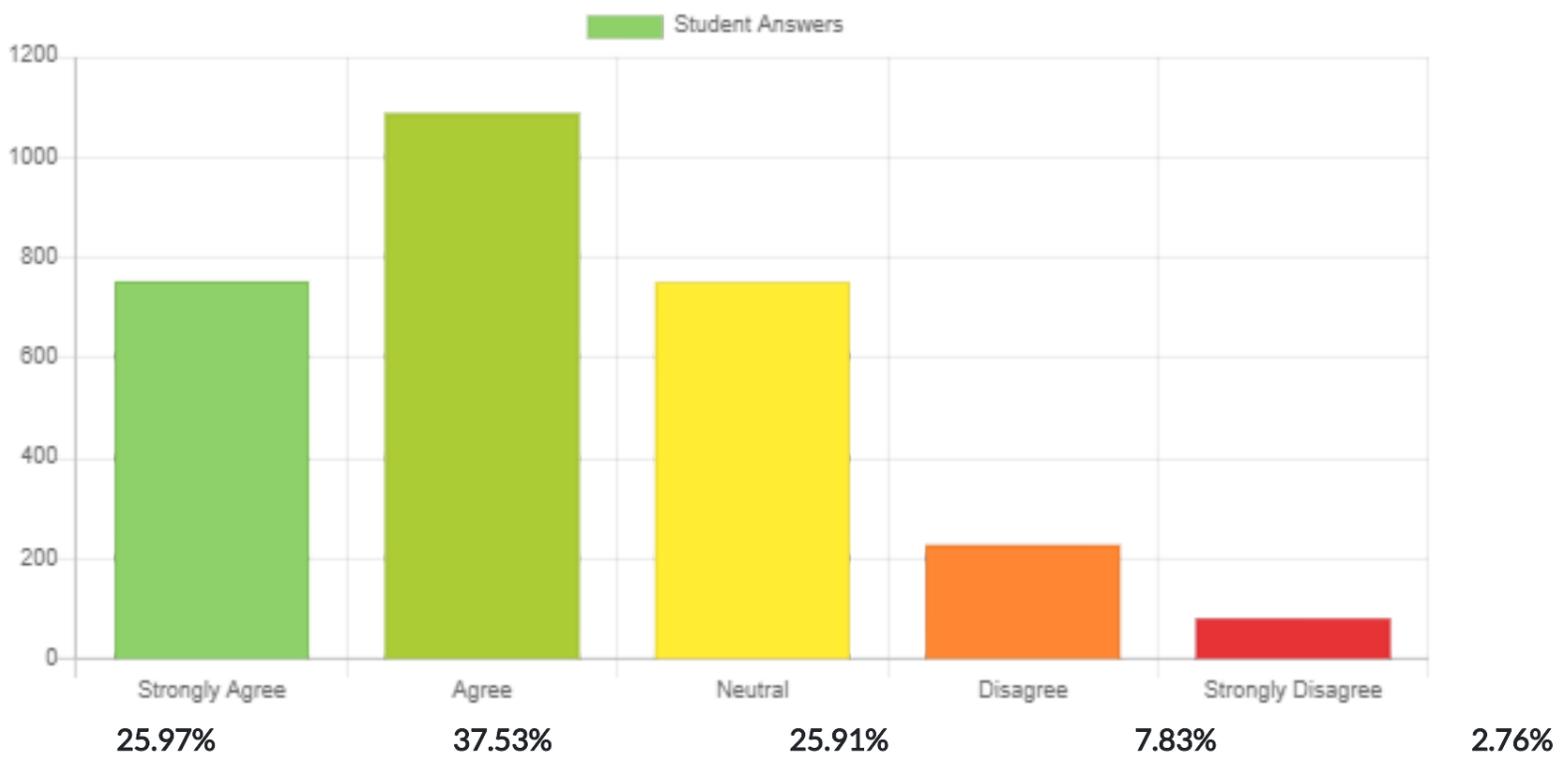

8. I prefer to complete hands-on activities during class as opposed to working on my computer.

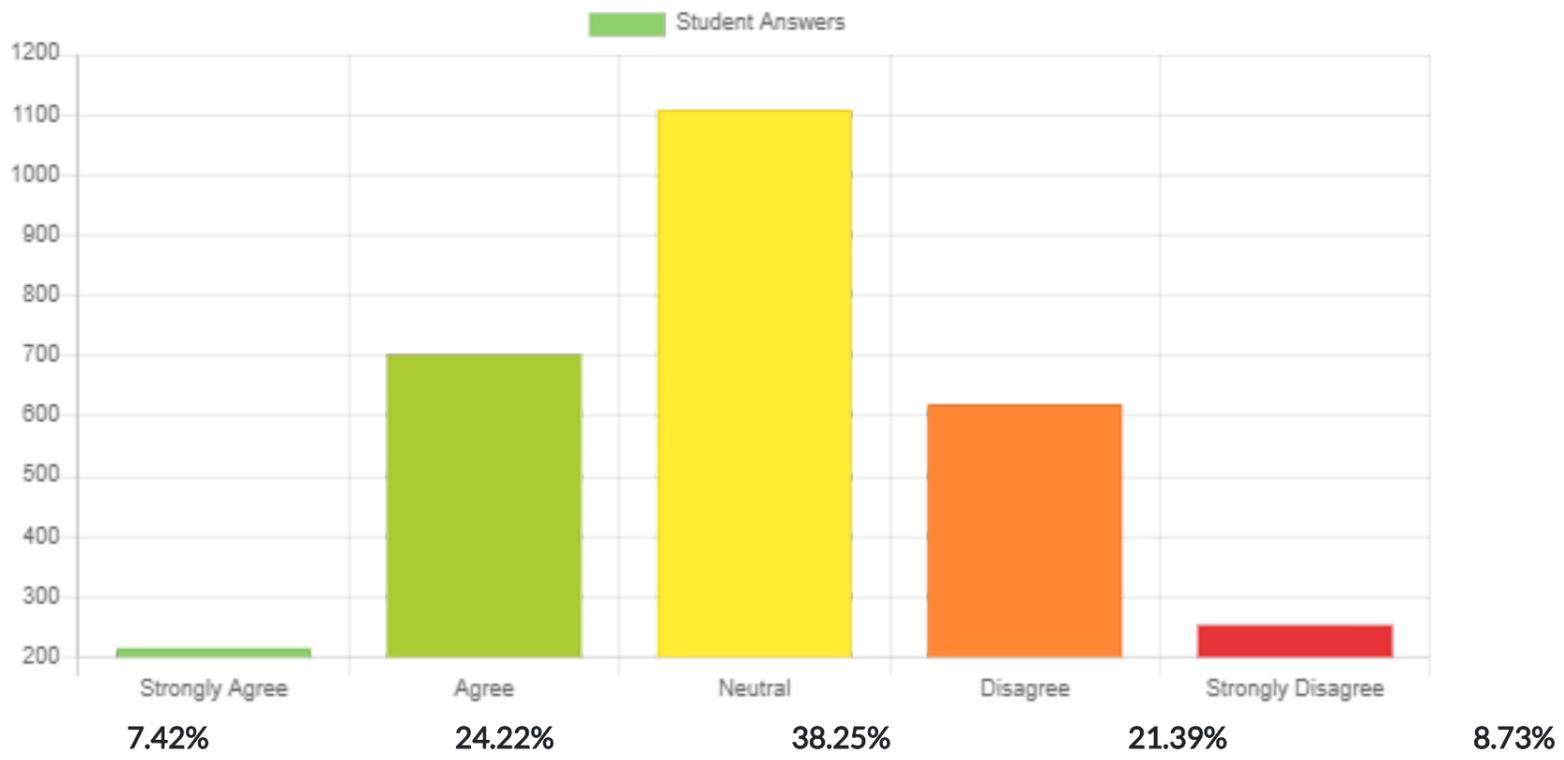

9. I like to do physical activities at the beginning or in the middle of class such as jumping jacks, stretching, or breathing exercises.

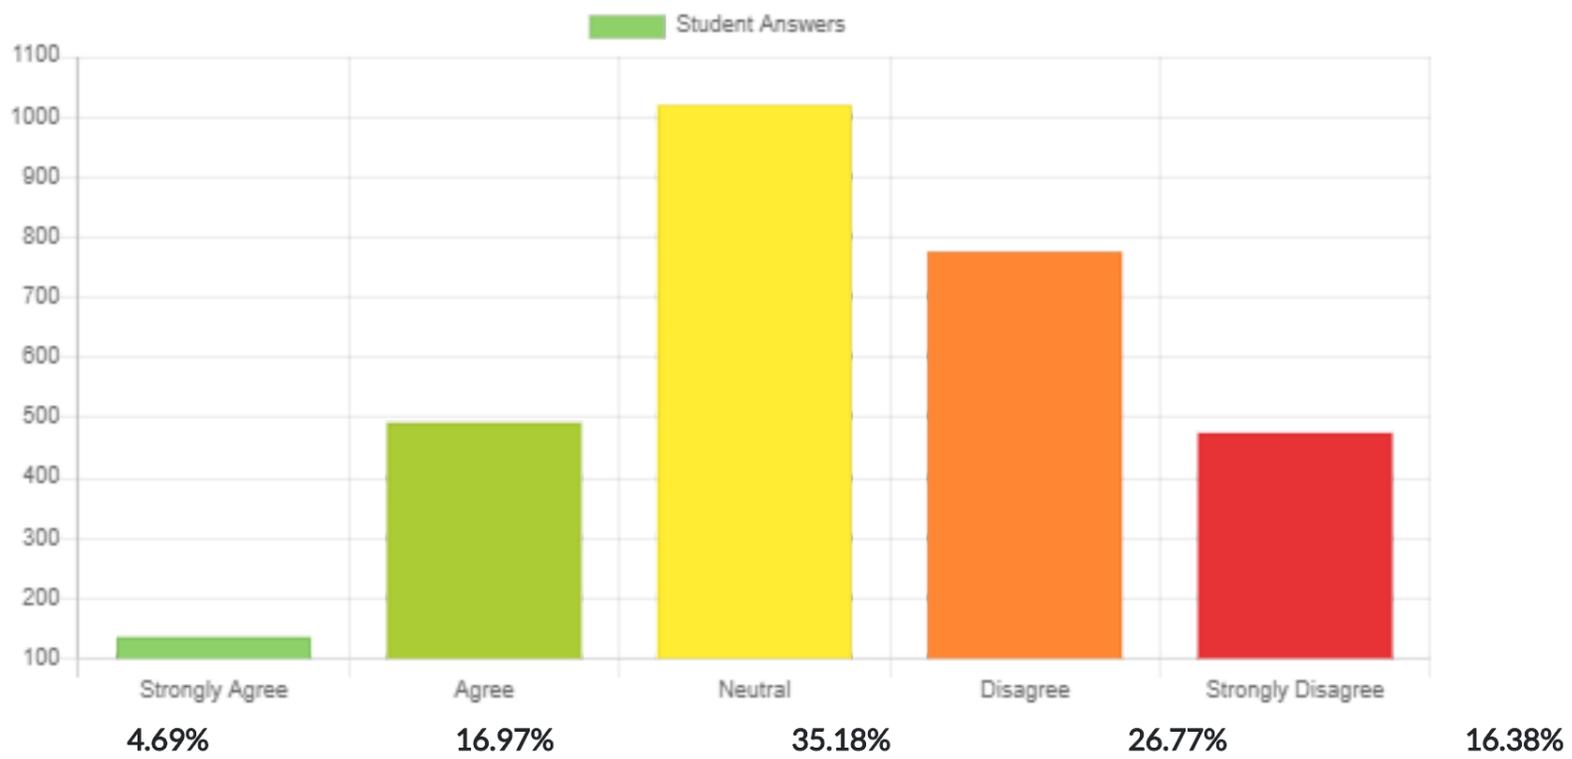

10. I enjoy having class outside where I can complete my work.

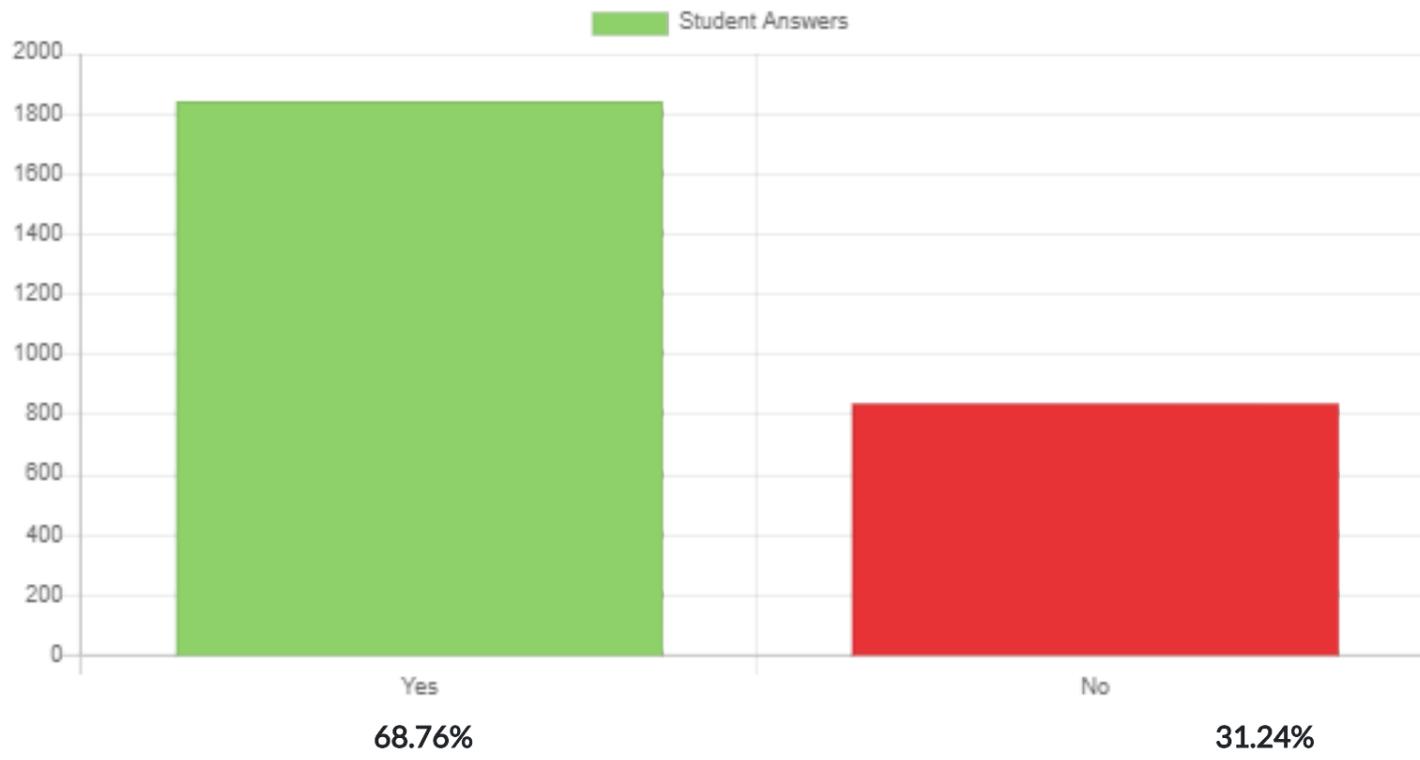

11. If my teacher said, Today, you are going to be presented with a problem, research a solution and build a prototype or model of the solution, I would feel

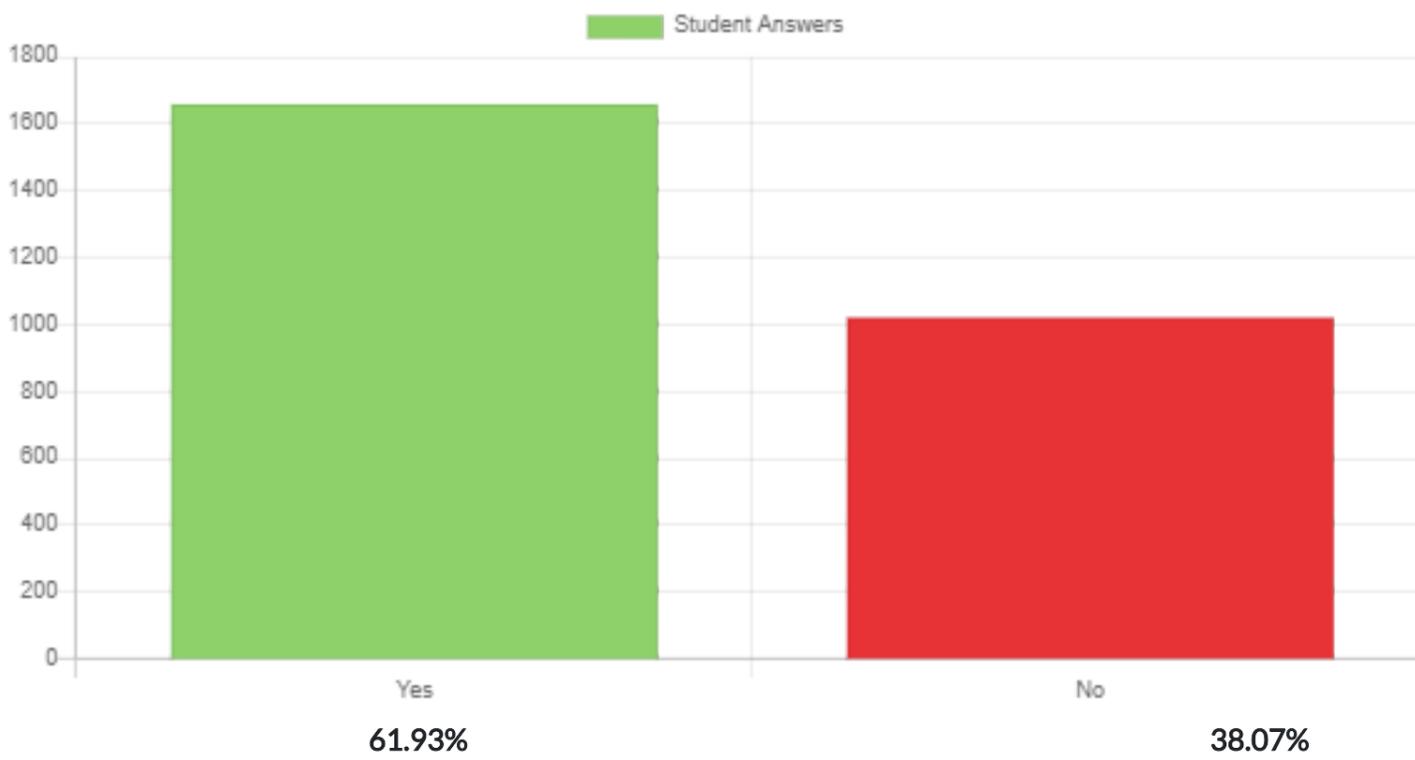

12. If my teacher said, Today, you are going to present a prototype or model of the solution to the class, I would feel

13. I was actively connected to learning materials because of the strategies my teacher used. (Cognitive Engagement)

14. I felt connected to and valued by my teachers, peers, and my school. (Emotional Engagement)

15. I was present in my classes (physically or virtually) and put effort into participating in discussions and completing tasks and assignments. (Behavioral Engagement)
