

QUARANTINE SUPPORT

for parents/caregivers

IF: your child tested positive for COVID-19 outside of school or is in close contact with someone who has tested positive for COVID-19 outside of school,

THEN: parents/guardians should contact the nurse at your child's school. The nurse will provide you with next steps.

IF: your child is designated as a close contact to a child who tested positive for COVID-19 during the school day,

THEN: the school will communicate with families and teachers about health quarantine and academic supports via a letter, phone call, or email.

IF: your child is quarantined/isolated,

THEN: contact your child's teacher(s) regarding expectations and opportunities for support. Please allow up to two days for a response as your child's teacher may need time to gather materials.

IF: you have questions or concerns about the academic support provided to your child during quarantine/isolation,

THEN: contact your child's school directly by [clicking here](#).

IF: your child is quarantined,

THEN: teachers will use a variety of means to provide instruction which may include but not limited to itslearning.

IF: your child is having difficulties accessing digital learning materials,

THEN: contact Family Technology Supports by emailing technicalquestions@hcps.org.

IF: you are concerned about your child(ren)'s learning progress,

THEN: complete interest form for additional tutoring located on the HCPS website - link is [found here](#).

IF: you need additional learning resources and support for your child(ren),

THEN: The Harford County Public Library (HCPL) also offers free online tutoring. Specific details for HCPL resources can be found by [clicking here](#).

IF: your child(ren) needs internet access while on quarantine/isolation,

THEN: call your child's school or email hotspots@hcps.org.
