Fifth Grade Residential Outdoor Education Program

Your child's class is scheduled for the following session:

**Harford County Public Schools
102 South Hickory Avenue
Bel Air, Maryland 21014**

2022-2023

Dear Parents and Guardians,

We invite your child to spend three days and two nights with us at Harford Glen. It will be our privilege to teach your child about the world that we live in and the opportunities we all share to

practice environmental stewardship every day. The Harford County Public Schools Fifth Grade Residential Outdoor Education Program has been in existence since 1980 and is known throughout the State of Maryland for its history of excellence and environmental leadership.

Your child will be immersed in environmental field experiences that support, extend and enhance the fifth grade *Environmental Stewardship* curriculum. The Harford Glen environmental educators are highly qualified former classroom teachers who are employed by Harford County Public Schools. All lessons highlight environmental literacy objectives and are aligned with the Next Generation Science Standards. In addition to curricular instruction, your child will discover a sense of teamwork, self-reliance, and appreciation of nature in a residential setting.

OPEN HOUSE

If you are new to the Harford Glen program, we invite you to attend an open house. The dining hall, lodges, and classrooms will be open so you can see where your child will be living and learning. The open house dates and details are listed in this handbook. They are also posted on the Harford County Public Schools website, www.hcps.org/harfordglen, where you can find electronic versions of the Harford Glen forms.

Feel free to bring your child with you, but please understand that you will be responsible for your child's whereabouts and behavior while on site. You are also encouraged to attend an open house after your child's field experience so they can take you on a tour of the property and share the knowledge gained during the program.

If you are unable to attend an Open House, feel free to scan the QR Codes below to take an electronic tour of Harford Glen.

Welcome from Mr. Eakes

FEES and MEALS

The only cost associated with this field experience is the cost of some meals.

Fees will be applied to your child's meal account based on your student's meal eligibility status (free/reduced/paid) to cover the costs of meals during the three-day program. Harford County Public Schools will cover the cost of all dinners and snacks while your student is at Harford Glen. Each student will be charged for the two breakfasts and three lunches served during the session.

If your school participates in the Universal Free Breakfast Program or the Community Eligibility Provision, these programs will also be in effect while the students are at Harford Glen. The Harford Glen Dining Hall Team will access the Harford County Public School student database and charge each student's school food service account throughout the session. Please review meal prices at www.HCPSMenus.com to ensure sufficient funds are placed on student accounts.

You will find the menu on page 11 in this handbook. Please feel free to contact the Harford Glen staff if you have any questions about the meals served during the session.

ATTENDANCE

Since this is a residential program, students should remain at Harford Glen throughout the session. If your child is involved in after-school sports, music lessons, religious activities, etc., please let the leaders know that your child will be participating in a school-sponsored event. The Harford Glen staff is well trained and experienced in helping children through homesickness and you will be notified if a serious case develops.

While present, students are expected to honor the school's behavioral expectations as all Harford County Public Schools rules and policies apply. If you decide that your child should not participate any portion of this program, you are required to communicate early dismissal plans with your child's classroom teacher via email.

MEDICATIONS and FORMS

Each student participating in the program is required to complete the **Consent for Administration of Approved Discretionary Medications & Health Contact Information** form, which must be signed by the parent or legal guardian. This document includes authorization for the student to receive discretionary medications if the Harford Glen nurse deems it necessary.

Children who have medications and medication permission forms on file at school **do not need** additional forms completed by their physician. As with any field trip, the school nurse will make copies of the school medication permission form and will send it with the medication to Harford Glen.

Fees and Meals

Health Form Information

If your child needs to take **additional prescription or non-prescription** (over-the-counter) **medication or doses** while at Harford Glen, other than those on file at school, a **Medication Policy and Permission Form** for each medication must be completed by an authorized prescriber and signed by the authorized prescriber and parent/legal guardian. Only the needed doses of medication for the time spent at Harford Glen should be sent. Please send only the medications that are necessary and make sure that the medication has not expired. Forms and medications should be turned in to the school nurse at least one week before the Harford Glen trip.

Your child's teacher will carry all medications and forms to Harford Glen since students may not transport or have in their possession any medication. If you need help transporting the medication to school, please reach out to your school nurse or administrator for assistance.

Please consult with your school nurse if your child may require permission to self-carry or administer medications such as an Epi-pen or an inhaler.

ALLERGY NOTICE

Harford Glen is an outdoor facility with a Dining Hall, so allergens may be present on the property. Please be very thorough when describing your child's allergies and accommodations required on the Health Contact Information Form. The school nurse's office conducts annual anaphylaxis awareness training for staff and maintains a shared updated list of students and staff with severe allergies. Families that have questions or concerns about allergies at Harford Glen are directed to speak to the Harford Glen nurse prior to your child's residential outdoor education experience.

Medical documentation for special diet accommodations must be submitted. Please contact the school nurse for **Harford Glen Special Diet Accommodations Form** to specify the accommodations and to receive packing instructions for provided food.

TRANSPORTATION

If your child is participating in the full overnight program:

- Please complete the electronic MSForm to communicate transportation plans for your student.
- Please arrange to have your child driven to school on the first morning of the program.
- The class will meet at school, board a bus, and ride together to Harford Glen.
- Busses will leave Harford Glen at noon (11:30 on Early Dismissal Days) on the last day of the session and return to school for pickup.
- Please arrange to have your child picked up from school on the last day of the program.

If your child is not participating in the overnight portion of the program, but will be with us all day:

- Students will ride the bus on the first and last day with their class.

- Parents are responsible for transportation on the first night, second day and third morning.
- Please complete the electronic MSForm.
- Please email your child's teacher to let them know the pickup and drop off plan.

If you need to pick your child up for an appointment and will drop them back off the same day at Harford Glen:

- Please fill out the electronic MSForm
- Please email your child's teacher to let them know the pickup and drop off plan.

PACKING GUIDELINES

Harford Glen has adopted monitoring and packing guidelines to reduce the likelihood that pests are carried to and from our site.

- All Harford Glen buildings are continuously monitored for pests.
- All participants, including teachers, high school counselor volunteers, and fifth grade students, will pack their belongings in no more than two 13-gallon kitchen trash bags, clearly labeled with the person's name on the outside of the bags. Suitcases, duffel bags, and stuffed animals are prohibited.
- Upon arrival at Harford Glen, participants will unpack their bags into a clear, lidded, 116-quart storage box that fits under each bunkbed.
- Backpacks will not be allowed in the lodges – they will be safely locked in the Dining Hall or classrooms each night.
- If you suspect or have experienced pest problems in your home, please contact the school nurse for guidance so appropriate measures can be taken to eliminate them from your child's belongings before the Harford Glen field trip. All communications will be strictly confidential.
- Commercial clothes dryers will be used to heat student belongings for thirty minutes at 120°F-150°F if pests are found or suspected in or around their possessions. Parents will be contacted if this protocol is deemed necessary.

COUNSELORS

An appropriate number of teachers and staff members will provide supervision for the group during the trip. Every session, students from each of the public high schools in Harford County volunteer as counselors for the residential outdoor education program. These students are recommended by teachers, guidance counselors, and administrators in their schools and are excused from class for the duration of the session. Many of these high school students plan to pursue a career in education or the environment upon graduation. Counselors are held to the highest standards of behavior and citizenship while participating in Harford Glen programs.

If you know a high school student in grades ten, eleven or twelve that would be interested in the opportunity to volunteer as a counselor at Harford Glen, please direct them to learn more about the program on the Harford Glen website, www.hcps.org/harfordglen.

VALUABLES

All personal property sent to Harford Glen is the responsibility of your child.

It is best if your child leaves all valuables at home, including cellular phones. One of the goals of this unique program is to allow children to disconnect from electronics and daily routines so they may focus on the natural world and the people sharing this experience together.

Harford County Public Schools policy states, "Students in elementary school may possess a portable communication device (PCD) on school grounds during the regular school day provided the PCD is kept and maintained in the student's backpack or cubby and is deactivated." If you choose to send a cellular phone with your child, it will remain off and in your child's backpack for the duration of the program. To protect the privacy of all participants, all cameras and cellular phones are prohibited in the lodges and restrooms.

HARFORD GLEN MERCHANDISE

The Harford Glen Foundation is a non-profit organization that supports environmental education programs in our county. If you would like to

purchase Harford Glen merchandise (t-shirts, hats, etc.), the proceeds directly benefit Harford Glen and the students in Harford County Public Schools. If you decide to support this cause, please visit the Harford Glen Foundation online store.

You can find a link to the store website and photos of available merchandise at <https://www.harfordglenfoundation.org/?v=7516fd43adaa> and at the bottom of Harford Glen's webpage on HCPS.org:

Residential Program

Inclement Weather Policy

Delay on the first day of the program

If HCPS delays the opening of school on the first day of the program, the Harford Glen Program will also be delayed the same amount of time.

- For example, if HCPS delays opening of schools for two hours, the bus will pick up the fifth grade students at school at 11:00 am (or 11:30 for fourth tier schools).
- In addition, instead of the counselors arriving at Harford Glen at 8:00 am, they should arrive at 10:00 am.
- All counselors and teachers should call Harford Glen at 410-638-3903 prior to leaving to be sure that the entrance road and parking lots have been cleared.

Cancellation on the first day of the program

If HCPS cancels school on the first day of the program, the Harford Glen program will also be cancelled for that day. Whenever schools open the following day, whether it is on time or a delayed opening, busses will arrive to pick up the fifth grade students. If it is a delayed opening, see above.

Counselors should report to Harford Glen whenever school opens.

Cancellation on the first AND second day of the program

If HCPS cancels school on the first and second day of the program the entire session will be cancelled, and make-up dates will be scheduled for later in the school year.

Threat of inclement weather during the program

If severe weather is forecast during your session, the Harford Glen staff will consult with the elementary school administrators and the transportation division of Harford County Public Schools to determine whether your students will remain at Harford Glen, if the session will be modified, or if the session will be cancelled and make-up dates will be scheduled for the end of the school year.

****The HCPS automated telephone messaging system will be used to notify parents and guardians if inclement weather changes the Harford Glen schedule. Please ensure that all emergency contact phone numbers are up to date and the number provided is one where a parent or guardian can be reached at any time of day or night during your child's visit to Harford Glen.****

EARLY DISMISSAL FROM HARFORD GLEN

Instructions for Parents and Guardians

The procedures below are in place to maintain a safe, secure learning environment for all.

- ✓ Unless otherwise noted, students will ride the bus with the class to the Harford Glen Environmental Education Center on the first morning of the session and back to school at midday on the last day of the session. Parents and guardians are responsible for transportation at all other times.
- ✓ Students who are not participating in the overnight portion of the program should be picked up at 8:30pm on day one and two. Students should arrive at Harford Glen at 7:45am on days two and three. Breakfast begins between 7:45am and 8:00am and will be available to students who did not spend the night.
- ✓ Please email your child's classroom teacher and let them know your pickup and drop off arrangements.
 - Please include the date(s) and time(s) of pickup and drop off
 - Please include the name and cell phone number of the person picking up your child.
- ✓ Only drivers listed on the table below will be permitted to transport the child; this includes parents and legal guardians.
- ✓ Harford Glen is located at 502 West Wheel Road, Bel Air, Maryland 21015. If the driver is going to be delayed, Harford Glen should be notified at 410-638-3903.
- ✓ Harford Glen is closed to the public on all school days, so all visitors must stop at the black call box located on the left side of the road at the main gate. Once the button is pushed on the call box, a Harford Glen staff member will answer the call, ask the driver to identify him or herself, and then open the gate.
- ✓ If the driver approaches the gate and another automobile is driving in or out of the property, he or she must still stop at the call box and speak to a Harford Glen staff member before entering the property. This will ensure the safety and security of all visitors to Harford Glen.
- ✓ Once admitted onto the Harford Glen property, the driver must follow the parking signs and park in the visitor's lot. When the car has been parked, the driver will follow the signs from the Dining Hall, adjacent to the parking area, to the Nurse's Office. He or she must be prepared to show a valid driver's license to the nurse for identification. Once the driver has been positively identified, the child will be brought to the Nurse's Office for dismissal. Drivers are not permitted to enter other rooms, buildings, or pavilions.
- ✓ Parents and guardians are responsible for insuring that all drivers are aware of these guidelines.

**CONSENT FOR ADMINISTRATION OF APPROVED
DISCRETIONARY MEDICATIONS AT HARFORD GLEN**

Dear Parent/Guardian:

On the reverse side of this letter is a consent form for the administration of certain nonprescription/over-the-counter medications which will be available, at no charge, for all students at Harford Glen. This service is available to alleviate your student's minor discomforts and to avoid early dismissals from the Residential Outdoor Education Program. These medications are approved by the Harford County Health Department and the Supervisor of Health Services for Harford County Public Schools. This service helps our students improve attendance and enhance academic performance. Please note that there will be no cough drops provided this year. You may signify your permission to have your student self-carry cough drops from home by checking the appropriate box.

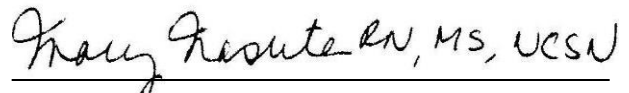

Your consent must be obtained before any medication is given to your student. Only the Registered Nurse/Licensed Practical Nurse at Harford Glen may administer these medications in accordance with established protocols. The consent form lists the medications which may be available. Please complete the consent form and return it to your child's teacher at least one week before the Harford Glen session. The consent is only in effect for your child's Harford Glen session.

Approved discretionary medications are intended for occasional use only. Discretionary medication will be administered at the **discretion of the Harford Glen nurse**. If your student requires any prescription or nonprescription medication on a regular basis, you must obtain a written order from your health care provider and supply the medications.

If you have any questions or would like further information, please contact your school nurse.

Sincerely,

Marcy Austin

MEDICATION ADMINISTRATION:

I give permission for my student to receive any medication listed below on this form as deemed by the Registered Nurse/Licensed Practical Nurse. I understand that a generic equivalent may be used.

I would like the following medication(s) made available to my student. (Please check)

For Headache/Fever/Burns/Earache/Sore Throat

☐ Acetaminophen (like Tylenol)

For Muscle Aches/Pain or Menstrual Cramps/Headaches

☐ Ibuprofen (like Advil –for students ages 12 & older)

For headaches, HCPS protocol permits administration of Acetaminophen only.

☐ Cough Drops- My child will self-carry cough drops. I am sending him/her with cough drops. I understand cough drops are unavailable in the Health Suite at Harford Glen.

☐ I do NOT want any medication given to my student at Harford Glen.

I understand that the above medications I have checked will be administered by the Registered Nurse/Licensed Practical Nurse at Harford Glen in accordance with established protocols developed by the Deputy Health Officer, Harford County Health Department and the Supervisor of Health Services for Harford County Public Schools.

PARENT/GUARDIAN CONTACT INFORMATION:

☐ I have updated my child's parent and emergency contact information with the school's main office. All parent and emergency contact information are up to date. I understand that the Harford Glen Nurse will use this information to contact me or the listed emergency contact if needed.

***ALL INFORMATION MAY BE SHARED WITH STAFF AND/OR TRANSPORTATION ON A NEED-TO-KNOW BASIS UNLESS OTHERWISE NOTIFIED.**
