Program Advantages

- **MSDE Approved:** This program is aligned with the latest Maryland Blueprint standards.
- **Personalized Coaching:** Instructors provide hands-on, one-on-one coaching; all faculty members are experienced school leaders, including current or former principals and superintendents, with expertise in trauma-informed practices.
- **Focus on Social Justice:** Social justice is a fundamental principle and cornerstone of the program.
- **Year-Long Internship:** Students have the opportunity to implement organizational and instructional leadership skills within a social justice framework through an extensive internship.
