## The Xan Korman Scholarship

**Four winners will receive \$1,000 each**

We are offering this grant to a rising photographer, who, like Xan, can capture the human spirit. We would like the applicant to submit a short essay about how this grant can help them advance their photography, how they share Xan's passions and discuss importance of organ, eye and tissue donation. We would also like to see a sample of three recent photos taken by the applicant.

**Applicants must be 16-25 years old. Secondary education is not required.**

**The deadline for submissions is August 31st, 2025.**
