HARFORD COUNTY PUBLIC SCHOOLS CITIZEN ADVISORY COMMITTEES SEEK NEW MEMBERSHIP

The Board of Education of Harford County Public Schools is seeking applicants for membership on its Citizen Advisory Committees. Membership is open to all Harford County residents, including those without children in the school system. As an advisory, each committee makes recommendations to the staff coordinator who serves as designee to the Superintendent of Schools.

Each committee will meet on a regular basis, or as necessary to accomplish its charge. New members are confirmed at a summer Board of Education business meeting; members are assigned to one-, two-, or three-year terms. Regular attendance is vital to maintain the continuity, sustainability, and effectiveness of the committee. Any member who is absent from fifty percent or more of the scheduled meetings during a twelve-month period shall be eligible for removal from a committee upon the recommendation of the staff coordinator to the Board of Education.

Residents of Harford County interested in serving as a member of any one of these committees should complete an application, available on the Board of Education page on www.hcps.org. Information requested will include the name of the committee, complete contact information (name, address, telephone number) and background information containing: membership(s) in the community, social and civic groups; occupation; level of schooling; and reasons for wanting to serve on the committee.

The deadline for application is **May 23, 2025**. The Citizen Advisory Committee coordinators will notify all applicants of membership following the Board appointments in Summer 2024.

The Special Education Citizens Advisory Committee is open to any parent or community member who has an interest in special education and no formal application is needed. Meeting dates will be posted on the HCPS website for all parents and citizens interested in serving on the Special Education Citizens Advisory Committee.

A brief description of each Citizen Advisory Committee is listed below. Please contact the staff coordinator if you have questions concerning a specific committee.
