

SAME Chesapeake Post STEM Scholarship Opportunity

Awards: \$1,000

Application Deadline: **4:00 PM EST — ~~March 31~~** EXTENDED TO April 30th**

The Society of American Military Engineers (SAME) Chesapeake Post offers scholarships to support students pursuing undergraduate degrees in Engineering, Architecture, Mathematics, Technology, Computer Science, Chemistry, Biology, and Physics (health sciences excluded).

Who Can Apply

- Students from Harford or Cecil County, Maryland
- Full-time undergraduate STEM students
- Minimum GPA: 3.0 (High School) or 2.85 (College)
- U.S. citizen or eligible non-citizen
- Not receiving a full-tuition scholarship (Service Academies, SMART, etc.)

Essay Requirement (New Applicants Only)

Submit a double-spaced essay (12-pt Arial, max 1,000 words) on one approved topic related to your STEM goals, SAME involvement, internships, or professional development.

More Than a Scholarship

- Free 1-Year SAME Membership
- Networking, mentorship, and STEM presentations
- Career-building professional connections

Submission Instructions

Submit your completed application, transcript (unofficial accepted), and essay (if required) as ONE combined PDF document.
